# INTRODUCTION

## ABOUT US

---

**Sustainable & Innovative Engineering Solutions**

We are a team of experienced engineering consultants who provide top-notch services to our clients.

Our expertise includes the complete gamut of Engineering Services (process, mechanical, piping, civil & structural, electrical, instrumentation, and telecom), as well as Project Management Consultancy, Project Management Services, Supply Chain Management, and Construction Support Services.

We are committed to delivering innovative and practical solutions tailored to your needs.

Our extensive knowledge and state-of-the-art tools and techniques enable us to help you achieve your business goals and drive growth.

Contact us today to learn more about our services and how we can assist you.

# COMPANY HSE POLICY

Sustainable & Innovative Engineering Solutions

---

At Controlbites, we are committed to protecting the health, safety and environment (HSE) of our employees, clients, contractors, and the communities in which we operate.

## Our Commitments:

- Comply with all applicable health, safety, environmental, and legal requirements.
- Provide safe and healthy working conditions for all personnel.
- Prevent incidents, injuries, and occupational illnesses through proactive risk management.
- Protect the environment by minimizing waste, emissions, and resource consumption.
- Ensure security of personnel, assets, and information.
- Promote a culture of safety awareness, accountability, and continuous improvement.
- This policy is communicated to all employees and stakeholders, and its effectiveness is periodically reviewed by management.

A handwritten signature in blue ink, appearing to read 'K.S. Srinivasan', is positioned above the printed name.

K.S.Srinivasan  
(Founder & CEO)

# COMPANY QUALITY STATEMENT

**Sustainable & Innovative Engineering Solutions**

---

## QUALITY STATEMENT

We are committed to delivering high-quality engineering solutions by leveraging advanced technologies and exceeding customer expectations in quality, safety, and timely completion. We believe in continuous improvement through effective leadership, teamwork, and close coordination with all stakeholders. Our goal is to maintain our position as the preferred global engineering service provider with a proven track record.

## QUALITY OBJECTIVES

- Continuously develop the core competencies of all our employees through awareness, teamwork, and training.
- Ensure adherence to international safety standards and promote safe practices.
- Adopt innovative methods and practices to enhance customer satisfaction and add value.
- Continuously engage with stakeholders to ensure the delivery of quality services.
- Monitor progress closely to ensure timely completion of projects.

# COMPANY QUALITY STATEMENT

---

Sustainable & Innovative Engineering Solutions

## VISION

To become the leading engineering and consultancy company by delivering innovative solutions with a competitive edge, while maintaining the highest standards of quality through the implementation of best engineering practices.

## MISSION

To provide cutting-edge engineering solutions that drive efficiency and productivity, empowering businesses with the tools they need to thrive in a competitive landscape.

## REFERENCE PROJECT LIST Oil and gas - By Controlbites

Sustainable & Innovative Engineering Solutions

SR.NO.	PROJECT NAME	LOCATION	YEAR OF COMPLETION	SCOPE
1	Automation of Effluent Treatment Plant (ETP)	Vaasudeva PMPL-Bengaluru, India	2025	Detail Engineering for Instrumentation
2	9005 SS Blackout Root Cause Analysis Report-SEC, KSA	JEF-Bengaluru, India	2024	Root Cause Analysis
3	MOC 8208 - DEFINE (FEED) and Detailed Engineering Scope of Work- F&G GAP Analysis Study	Abu Dhabi, UAE	2023-2025	FEED Engineering for Civil, Electrical and Instrumentation
4	MOC 5910 - DEFINE and Detailed Engineering SCOPE OF WORK for replacement of Obsolete MX Panels Fire protection System with New F&G systems	Abu Dhabi, UAE	2023-2025	FEED Engineering for Civil, Electrical and Instrumentation
5	EPC for Call-Out Contract for 2023-2027 GAS Wells Tie-ins, Package- 5	Abu Dhabi, UAE	2024	Design Consultancy for Instrumentation
6	Gas Field Development Project	Abu Dhabi, UAE	2024	Instrumentation Engineering
7	EPC For RSF (RIM SEAL FOAM) and FSF (FULL SURFACE FIRE) Fighting System Upgrade for COS Tanks	Abu Dhabi, UAE	2023	Vendor Documents Review
8	P&ID , PFD & Plot plan Development	Jhabua (MP), India	2023-2024	Updation of existing plot plan , PFD and Plot plan to capture modifications in existing plant in consultation with client
9	HVAC upgrade for Process Buildings	Abu Dhabi, UAE	2023-2024	Modification works in existing Substation and Control room Building for HVAC upgrade
