

ACTION	TRANSITION	POWER + PROTECTION
<i>Immediately end all military aid to Israel</i> and adopt sanctions until Israel complies with international law to put an end to decades of violence, illegal occupation, displacement, dispossession, apartheid, and ethnic cleansing	End the longstanding US practice of vetoing UN Security Council resolutions to <i>hold Israel accountable to international law</i>	<i>Fully fund veterans' programs and benefits</i> , including healthcare, mental health, housing, and job training, for a transition to civilian life
<i>Demand an immediate ceasefire in Israel and Palestine</i> , an end to the blockade of Gaza, immediate humanitarian and medical relief, and release of hostages and political prisoners	Move to end the UN Security Council to <i>ensure the UN is a true democratic body</i>	<i>Ensure family-supporting wages</i> and benefits for military service members
<i>End existing wars</i> , military actions, proxy wars and secret wars	Establish a foreign policy based on <i>diplomacy, international law, and human rights</i>	Invest the peace dividend in a <i>Global Green New Deal</i> to prevent climate collapse, and build toward universal access to basic human needs for food, clean water and sanitation, education, and health care for every human being on Earth
<i>Stop fueling the war</i> between Russia and Ukraine	Lead on <i>negotiating a peaceful resolution</i> between Ukraine & Russia	<i>Protect the rights of service members</i> , including conscientious objectors
Remove war powers from the president and <i>restore Congress' sole power to declare war</i>	Disband NATO and replace it with a <i>modern, inclusive security framework</i> that respects the security interests of all nations and people	<i>Ensure family-supporting wages</i> and benefits for military service members
End the failed drug wars and <i>stop regime change attempts against foreign governments</i>	End <i>US interventionist policies</i> that drive people to become migrant refugees	<i>Cut military spending</i> by 50-75% and ensure a just transition that replaces military jobs with Green New Deal jobs
<i>Remove U.S. troops</i> from Iraq and Syria	End unilateral <i>economic sanctions</i> that primarily harm civilian populations	Lead on <i>global nuclear disarmament</i>
<i>End sanctions on Cuba, Nicaragua and Venezuela</i> that amount to collective punishment of civilian populations	<i>End the embargo of Cuba</i> and normalize relations	
<i>Ban the use of killer drones</i> , robots, and artificial intelligence	Stop U.S. support and arms sales to <i>human rights abusers</i>	
<i>Close the Guantanamo Bay</i> detention camp		
Close the vast majority of the <i>700+ foreign US military bases</i>
