

SYSTEM	JUSTICE	GUN LAWS	DRUGS LAWS
End the militarization of police (end the 1033 program).	End qualified immunity for police and prosecutorial immunity.	End the epidemic of gun violence with common-sense gun safety laws	Release nonviolent drug offenders from prison, remove drug offenses from records, and guarantee both pre- and post-release support
Eliminate all ‘Cop City’- type police training facilities that militarize policing and teach dangerous and abusive policing practices.	Federalize all police misconduct investigations.	Ban the sale of assault rifles and establish a buyback program	Fully legalize cannabis for recreational and medicinal use with similar restrictions to alcohol.
Ban private prisons and detention centers.	Fund state and national police misconduct data collections systems.	Establish mandatory waiting periods and background checks for firearm purchases	Begin the process of decriminalizing personal possession of hard drugs - treat drug misuse as a health problem, not a criminal problem
End mass incarceration and build a system centered on restorative justice.	Establish community control of police with oversight boards empowered to audit police departments, issue subpoenas, remove officers, and block rehiring of offending officers	Pass red flag laws for individuals who pose a danger to themselves and others	Ensure drug treatment on demand
Increase the number of public defenders and ensure a reasonable caseload and good pay	End cash bail, fines and fees that disproportionately impact poor and working class people.	Create standardized digital records of gun registrations and sales	Begin the process of legalizing hallucinogens (LSD, psilocybin and other related substances) and fund studies on their medicinal benefits.
Ban mandatory minimum sentencing and ‘three strikes’ laws.	Ensure the funding of community-based youth programs as a deterrent to both petty and violent crime and to reduce interactions with police.	Close gun show loopholes	End the War on Drugs
Abolish unpaid and underpaid prison labor	Hold adult firearm owners criminally liable for minor children accessing firearms and using them in the commission of any crime or accidental injury or death	Require firearm owners to own a high-quality gun safe to store their firearms	
Mandate and enforce higher standards for living conditions in prisons	Investigate and prosecute sexual violence, kidnapping, and human trafficking	Require firearm owners to purchase liability insurance of no less than \$1,000,000
