The Union Fire Protection District, City of Union, and the County of Franklin are three separate and independent political entities tasked by the Missouri Constitution with different duties and responsibilities. All three entities have the power to adopt and enforce codes and regulations which affect the way in which buildings are erected and developments are constructed. **It is your responsibility as a contractor, builder, developer, or owner to insure that you have complied with the requirements of all three entities.** The City of Union and or the County of Franklin cannot enforce Fire District regulations and, likewise the Fire District cannot and does not enforce City or County ordinances.
