Hospice 101

Hospice provides support and care for terminally ill patients and their families. This is a holistic comprehensive program that focuses on pain relief and symptom management.

Hospice Referral Process

1. Referral from physician establishing terminal diagnoses
2. Call & ask for admissions
3. Admissions counselor meets with family to provide education & initiate consents
4. Nurse evaluates & admits patient
5. Our team provides care: RN, nurse aide, social worker, chaplain, bereavement counselor, volunteer
