

Practical Animal Training

Live animal training workshop with Nicky Plaskitt
of Shaping Behaviour

- **Put your theory into practice**
 - Identify training goals
 - How to write training protocols
- **HANDS ON ANIMAL TRAINING SESSIONS**
(Likely species macaws, lemurs, but subject to change)
- How to evaluate training sessions
- **1-1 mentoring with only 10 participants**

Hosted by WILD! Zoological Park

Includes chance to watch the famous Bird Show, lunch
and refreshments throughout the day.

**Thursday 22nd September
2022**

1000-1700

Shaping Behaviour has over 20 years experience
teaching keepers and managing animal behaviour
