

What is your process to book?

- We will request information from you such as package required, full names, email & postal addresses, venues & timings to build your contract
- Your contract will be sent via email for you to sign separately online, at this point your date is put on a temporary hold
- Your contract & invoice are emailed to you at the same time
- You are given 24hrs to view and sign your contract & place your booking fee
- Upon booking fee being placed you will receive an emailed receipt as confirmation & your wedding date is booked
- If the 24hrs pass and the booking fee is not received your date will be released & contract cancelled

Can you hold my date without the payment?

We are unable to hold dates without a booking fee being paid

Where do you cover?

- We are based on the South Staffordshire | North Warwickshire | West Midlands border
- We cover the following areas (There may be small travel charges incurred dependant on package chosen & location):
Staffordshire, East & West Midlands, Warwickshire, Derbyshire, Shropshire, Nottinghamshire, Northamptonshire & Oxfordshire
- We can & do offer full UK & European coverage - this does incur larger travel fees / plane tickets & possibly over night accommodation

Why do you expect from us as a couple?

As clients we require full information for your big day so we can plan around everything you have organised. We do request that you ask your guests keep their phones away during the entirety of the ceremony and also not to be in our way while we try and work as quickly and efficiently as possible to get the shots you want, we want you to love your photographs and when we are unable to get the shots you request especially candid shots because of a guest it's heartbreaking for us and frustrating for you. We do request that we take you away for around twenty minutes to get romantic shots of just you as a couple. We also suggest to avoid cluttered or unwanted backgrounds in photographs where possible you arrange for any cars, people etc to be moved for example your wedding car arriving at your venue - request for it to be parked in front of the venue not in the middle of the car park.

When taking getting ready shots please ensure your room or area is clutter free.

We also need to be informed of any paid parking that is required so this can be built into your package or it will be due on the day.
