This multidisciplinary team collaboration expedites each child's time in the legal system and ensures that children are not re-victimized by the system, and that they and their families are provided the support and services needed to heal. In conjunction with this multi-disciplinary team approach, the Center offers a variety of trauma-informed services including specialized play therapy for child victims, their non-offending caregivers and siblings, forensic interviews, case management and tracking. In 2024, the Center provided these services to 2,356 child victims, providing 239 forensic interviews, and 4,357 therapy sessions. In total over 3,964 victims were helped and 14,342 victim advocate services were provided. The center is the only location in the area that is child-focused and utilizes the trauma-informed model adopted nationally by the National Children's Alliance as a best practice for treating children who have suffered abuse. All services at the Center are available free of charge to child victims for as long as they are needed.
