CAE and Johnes's Declaration

Event:	Burnie Show		
Event Date:	3 rd October 2026		
Exhibitor Name:			Mobile:

Declaration

To the best of my knowledge, my goats do not have CAE or Johnes and have not been on a property with animals with CAE or Johnes or of unknown status in regards to this disease. Sufficient testing has been carried out to establish this/these facts. I realise by endorsing this declaration with my signature I am liable for prosecution if this statement is found to be untrue. I also give the rights for the Dairy Goat Society of Australia – Tasmania Branch Ltd. to have tested, at their expense, any of the animals in my ownership that they choose to establish the truth of this declaration if they so desire. I agree to pay for the costs of testing if the animal proves to be positive for CAE or Johnes. I realise that refusal to test would mean suspension of my rights to exhibit animals at shows run under the auspices of the DGSA.

Alternatively:

☐ I have provided the steward with a copy of the negative CAE & Johnes's test results of all exhibits over the age of 12 months, and for those exhibits under 12 months, the dam's negative test results.
