From the President

SUMMER 2021

With kidding finished now and the next generation growing fast, I hope you have some fine stock to go on with.

The Royal Hobart Show did go ahead, all be it one day shorter than planned due to the sudden lockdown for Covid reasons.

The Branch Show was held in Merseylea and attracted six exhibitors. Congratulations to all the winners. Thank you to the judges and Desely for stewarding both shows. Thank you also to the sponsors of trophies for both these shows. Your generosity is much appreciated.

The next show is the Northeast Tasmanian Dairy Goat Show being held in Scottsdale. This is a standalone show due to the cancellation of the Scottsdale Show which is usually held in November and run by the North Eastern Agricultural & Pastoral Society.

GoatFest is only a month away with all the sections gearing up with preparations for a successful event.

Getting mainland judges for our shows has its complications and difficulties. With the ever-changing rules and requirements, plane travel across any border has people not wanting to fly. And who can blame them.

The Agfest planning committee have decided to hold this premier agricultural event in August next year. The decision is due to a limit of 5,000 patrons being imposed by the health department. They are hoping by then that the government will have relaxed those rules. As anyone knows, winter in Tasmania is extremely cold and wet. Being held in August will have lots of drawbacks. In the dairy goat world it is kidding time. August is not suitable for us, so it appears at this stage that the goats will not be participating.

A list of upcoming shows and events is included in this newsletter.

Wishing you all a peaceful and Happy Christmas with Best Wishes for 2022.

Steve Baldock

From the Editor

The holiday season is here again!

I hope everyone is able to spend some time with their loved ones near and far now that the borders are open. If not, spend the day pampering yourself and enjoying bad holiday movies!

We have results for two shows held recently for this newsletter with lots of photos. The 2021 Tas Branch Show was again hosted at Anna and Tim's place with an amazing lunch. This is becoming the must do annual event. Thanks Anna and Tim!

Have a great Christmas and I hope to see many of you in the New Year!

Desely

Nubian Goat

I commissioned a lady to crochet an Anglo-Nubian toy for my new nephew, to accompany the book "G is for Goat" by Patricia Polacco. It's never too early to begin indoctrination!

I'm happy to pass the details of the talented toy maker on to anyone who is interested. I may have to get one made for myself! I'm sure she could do other breeds too.

Cajeta

Sonia and David at Touchwood Farm have a great new product on the market – Cajeta goat milk caramel. Absolutely divine on pancakes, ice cream or whatever your imagination comes up with! You can purchase direct from their website (www.touchwoodfarm.com), and they have a stall at the Salamanca Markets where you can sample all their products.
