About the Show

This show has been organised in place of what would have been the “North Eastern Agricultural & Pastoral Society Inc” – Scottsdale Show, which was to be held on the 13th on November 2021. After some discussion with the Dorset Council, they have granted us permission to utilise the Sheep & Equestrian area of the Scottsdale Show Ground for our once off stand-alone show.

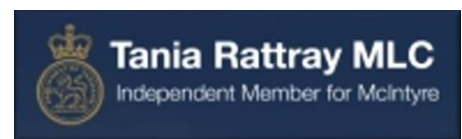

This Show has been made possible by the following sponsors who have generously donated cash & prizes and I wish to sincerely thank them, and I encourage all our members to support our commercial sponsors by purchasing their Dairy Goat related products.

Regards Scott Payton, Show Organiser.
