

3 Person Stick Game

End	Skip	Players												
1	#1	2 & 3		Players will determine who is Player #1, Player #2 and Player #3. On the first end Player #1 will proceed to the other end and be skip for both players. Then Player#2 and Player#3 throw 6 rocks each as in a normal game. They then mark the score on the scoreboard as below. Player #1 will be in the Red line, Player #2 in the Blue and Player #3 on the bottom of the score board screws.										
2	#2	1 & 3												
3	#3	1 & 2												
4	#1	2 & 3		On the second end, Player #3 moves to the the other end and joins Player #1. Player #2 is now skipping end 2. The winner of Player #1 & Player #3 mark up their score and play continues as the the play format for the ends indicated. At the end of the game the player with the most points is the winner and gets 3 points for the win. 2nd place gets 2 points and third, one point. If the final 2 are tied, then 2 points each. (NOTE: The red and blue on the scoreboard does not mean the rock colour thrown. It is for Player #1 and Player #2 scores!)
