

Welcome to the Ted Anderson Memorial Bonspiel [Oct. 30 – Nov 1, 2026]

Draw times;

Early draws 8:00 am and 1:00 pm; Late draws 10:15 am and 3:15 pm.

Entry fee is \$340/team (including GST), payable online (PACC website) with Curling I/O. Curlers must be 60+ on 30 Oct 26, and registered PCMCA members (any gender) within a PCMCA league (Men's / Women's / Mixed). *Note 1: One curler per team may be 55-59 or a 'Registered Spare'.*

Note 2: On the first day, no club plays against their own club if possible.

Friday: Teams must check in at reception table upon arrival. Visiting teams parking rebate (1 car/3 days = \$8.25). **Ice may be scraped at Noon for better play. Play when ice is ready; be ready to curl.**

Games:

Games will consist of a maximum of 8 ends.

A clock on every sheet is set for 1 hour and 38 minutes. Opposing Third MUST start the clock when the first rock is delivered and record the game start time on the scorecard. When the alarm sounds, finish the end you are in and play one more. An end is considered completed when the last rock comes to a stop.

Keep the game moving:

- 1) When clearing the rocks after an end, just push them into each corner – sorting wastes time.
- 2) When the opposition rock crosses the near Hog line, and your turn is next to deliver a rock.
DON'T WATCH THE ROCK - get to your rock, clean it, and be in the hack ready to throw.
- 3) SKIP's have your shot options thought out in advance then make the decision *WITHOUT DELAY* – it's either guard, draw or a hit, ...delay changes nothing".

Scoring:

The Third (3rd), on each team, is responsible for completing the scorecard AND recording the game end time on the scorecard. Place the completed scorecard in the designated envelope at the draw sheet board.

Team ranking will be determined by: a) wins (3/win), ties (1/tie), loss (0/loss), AND b) ends won(1)/blanked(1/2) - blank ends are scored as one-half "end points" to each team -, AND c) total score points. Teams must play at least 6 ends; may concede after the completion of 6 ends. **The scorecard requires results after 6 Ends AND after 8 ends, yet only first 6 Ends are tallied.** If a team concedes after 6 ends, the opposing team gets 1 score point for each add'l End that could have been played in time. **Enter total score;** program limits Max. differential to 10.

Seeding will occur after the 1st game. After the 4th draw, should there be an undefeated team in **both** the late and early draw (with 7 or 8 points) there will be a crossover game: ie. The **top** undefeated team in each draw will play each other on the late draw Sunday if their records are 4-0-0, or 3-0-1 after 4 draws; the winner will take first place and the loser second place; tie broken by an extra End. The remaining teams from both divisions will be combined and the ranking system will determine 3rd, 4th, and 5th. When no crossover game is held, both divisions combined after the last draw and the ranking point system determines the Spiel's ranking of 1st to 5th.

****** WARNING – City of White Rock is vigilant in parking enforcement! ******

Parking \$2.75/Day; Stubs from machine at front of building. Visiting teams reimbursed \$8.25/team.

Prizes:

1st place \$340, 2nd place \$280, 3rd place \$220, 4th place \$160, 5th place \$80.

The last place **Peace Arch Senators** team will be awarded \$100 prize money.
