## Donations - Rock Handle Campaign

What are those names on rock handles about?

For a \$1000 you can have a name of a loved one, your own, or a company engraved on the handle. Just inform the office of what handle and use the DONATE TAB on the website. Money is collected by BC Amateur Sports and a tax receipt is issued. You can donate to the building capital projects through this system. We are actively fundraising for various upcoming projects in the next few years: new floor and brine lines, new upgraded plant, dehumidifier and ice scraper.

Last year we had 6 more handles purchased.

## You Late Night Curlers

If you end up as the last team on the ice please turn off the lights on the cold and warm side and close the doors when you head up to the lounge. After last call, you are all welcome to stay in the lounge to chat and finish your drinks. If you outlast the bartender, please turn off the lights and TV when you leave. Saves \$\$ and wear and tear on the technology.

## ProShop

Looking for something to enhance your game. We have new brooms, fresh grippers, and new jacket design just to make you look your best on the ice. Shop online and we can get you the product cheaper.

### Lounge Available to Rent

As a Curler of the club you get a 20% discount on rental of the lounge. We have hosted: weddings, receptions, celebrations of life, and parties of all sorts.

## Practice ice reservation rules:

Practice Ice on Tuesday will be first come first serve. 30-minute time on ice unless no one is waiting.

Reservations are for sheet 1-2 are for Team reservation only, (**NO singles**). Must be a Peace Arch Club Curler.

Two weeks ahead max booking during regular season. \$20 per hour online via our reservation system, or payable at the pro shop on arrival. 24 hours notice for cancellations. Sheets 3- 4 will be for singles players 30 min max \$10. Unless demand indicates a need for more of either. Paid practice ice will be mopped, pebbled and nipped. If a sheet is not booked then it will be first come first serve but no service to the ice will be done.

**This is a trial run, and the club reserves the right to change the rules at any time.**

### The Ice Report

After a lengthy install we have ice. You will find it cold to the touch so don't touch it. It is clean with a few blemishes due to leaks and a mystery footprint. Rocks have been touched up this year. We spun them to make the running surface smaller so hopefully we can get some more curl to last longer.

The building is very humid so you might see some drops on the ice from the ceiling. As winter approaches we will get drier air so that should end.

Clean shoes equals clean ice. Get new grippers before they are all sold out.

### BAR- Updates

**Say Hello to our new bartender Sasha and Natasha and welcome back to Kayla, Daina, and Krista.**

Soma Cider (Kelowna) has a new offering in the bar. Apple cider with no added sugar. They infused it with some blueberries for colour.
