Rock Handles – Tired of looking at that blue handle. You can purchase your own handle for the game. Amazon has great deals. Switch out your handle before the game. And lots of complaints about how stones are not matched – like bowling buy your own and bring them in the night before to cool so they are ready for the game.

Ice Report

Curling will be very hard for the spring league. NO ICE

Off season advice to keep trim and fit and getting ready for next season. Spend the summer shoveling dirt to build those shoulders or sweeping out the garage. Lots of walking in a fast-paced manner for 10 seconds spurts. Watch curling re-runs online for strategy lessons and rest your liver so its ready for next year.

Have a good Summer!!
