## Thanks for the Support!

On behalf of the ice team, thank you for all your encouragement and support this season. All the thoughtful comments related to improved ice this season energized the team to work on making the ice better every day. We all play at Peace Arch and we want great ice too.

To all curlers, league reps, volunteer coaches, bottle recyclers, window washers, storage room sorters, set decorators, club directors, book keepers, and bartender helpers, I thank you for your help this year as the job was much more than I thought with so many moving parts. We had a successful year with all of you pitching in when you could. Can't wait to next year as to what our club can accomplish.

## Next Year ?

Registration will be open August 19<sup>th</sup> for all teams. There will be the same options for curlers next year as well as hopefully new leagues for our new curlers. Take the time to talk it up with people you meet and your neighbours. We want the problem of not having enough ice time for all.

There will be a two half - day learn to curl events as well as a learn to curl league next year. Depending on Registrations we will try for a night learn to curl as well.

A 6 ender by Binnie Pringle in the Stick league- a rare event

Volunteers will be needed to talk up Curling at the Farmers Market in White Rock this Summer. We have reserved a few Sundays to chat to locals about our club and our sport.

## Locker Clean Out

All lockers to be emptied this year so I can clean them out and reorganize a few. You will have them back next year. Inside lockers \$60/season and cold side \$50/season. Email me if you want to be on the waitlist.

## Donations - Rock Handle Campaign

What are those names on rock handles about?

For a \$1000 you can have a name of a loved one, your own, or a company engraved on the handle. Just inform the office of what handle, and use the big **DONATE NOW** button on the website. Money is collected by BC Amateur Sports and a tax receipt is issued. You can donate to the building capital projects through this system. We are actively fundraising for various upcoming projects in the next few years: new floor and brine lines, new upgraded plant, dehumidifier and ice scraper.

# The Presidents Cup

This trophy is awarded by the Club's President in consultation with past Presidents as to an individual, team, or group who has demonstrated spirit and dedication to the club and the promotion of the sport of Curling. This year it has been awarded to Lori Goulet. She has volunteered in our school program and traveled to classes to pre-teach rules and the concept to classes all year. She has supported early morning High School lessons and teaching adults who have rented the ice. She has also been nominated for a Curl BC Volunteer of the Year award and attended the International Tankard in Seattle in early March. Canada Won the event - of course.
