## Locker Clean Out

Those curlers that have lockers on the **ice side** please clean out your lockers. At end of season, I pressure wash and often get water inside the lockers. You will have first rights back to them in the new year.

The warm side lockers can remain full. Just remember that the building can be open and the local characters can often find themselves wandering in there looking for opportunity.

## Support our Club Fundraisers

We are actively fundraising for various capital projects: new floor and brine lines, new upgraded plant, and dehumidifier. Please support our various fundraising campaigns.

### Building our House - one rock at a time

Join the rock handle club and create a legacy. Your generous donation of \$1000 will give you a personalized rock handle for yourself, a loved one, or your business to be seen every time a curler slides out of the house. **3 More stones have been purchased.**

### Turn your dimes into dollars for PACC

PACC now has an account with Return-It Express. Just bag and drop your returnable beverage containers in a clear plastic bag - no sorting required. **Tip:** only put a maximum of 12 glass bottles in a bag to prevent breakage. **NOTE:** We will be **penalized** \$1 for any garbage in the bag or any unaccepted containers (e.g. American drink containers, buttermilk or whipping cream containers).

Take your bags to the express check-in at either of our local Return-It depots and print off a PACC label using our phone number – **604-531-0244** – to access the account on the tablet. **Stick label on and scan code.**

**REMEMBER – EVEN THOUGH THE CLUB IS CLOSED IN THE SUMMER, YOU CAN STILL DEPOSIT YOUR CONTAINERS AND SUPPORT THE FUNDRAISER.**

A thermometer on the office window shows our progress - **\$400.85**
