Did you Know?

Asahi High Tides Bonspiel

Hello PACC curlers, on November 30, 2024, PACC will be hosting a dinner and dance party as part of the High Tides Bonspiel. If you are not competing in the bonspiel, you can still attend the dinner and dance for a cost of \$45.00.

This year, PACC will be conducting a silent auction at the dinner and dance. Most of the items will be gift cards from various restaurants and stores located in South Surrey. If you have anything to donate towards the silent auction, please let me know. All proceeds from the silent auction will go toward the replacement of major components of the ice plant.

Lastly, there are still a few spots left for teams to sign up for the bonspiel. You can sign up in the competition section in the registration page on our website. There will be two tiers this year. If you its your first bonspiel ever or you are a novice team choose Tier 2 otherwise Tier 1 is the higher level of competition. All team combinations welcome. Hope to see you there.

Donations - Rock Handle Campaign

What are those names on rock handles about?

For a \$1000 you can have a name of a loved one, your own, or a company engraved on the handle. Just inform the office of what handle and use the DONATE TAB on the website. Money is collected by BC Amateur Sports and a tax receipt is issued. You can donate to the building capital projects through this system. We are actively fundraising for various upcoming projects in the next few years: new floor and brine lines, new upgraded plant, and dehumidifier. The club received a donation from a member for \$20 000 towards a purchase of a new ice scraper. Many thanks to this anonymous donor. We will need more donations like this for new infrastructure!!

Last year we had 4 more handles purchased.

Day Ladies Leagues now a Standing Committee in PACC Policy by Mary Holmes

The Day Ladies Curling League has been its own entity for over 40 years. Since its inception we have set guidelines for how our leagues and committee operate. We ran our bonspiels and managed our funds in our own bank account. When we had surplus funds, we made financial gifts to the club. In the early days of the Peace Arch Curling Club this arrangement perhaps seemed the best. However, in recent years there has been more of an effort to build community not only at our league level, but at the whole club level.

Our move to solidify our commitment to the Peace Arch Curling Club community this year is the result of several years of efforts by the Day Ladies Chairs before me, most notably Martha McArthur and Dianne Berry, the committees they worked with, and the Day Ladies Curling members. With the Day Ladies Standing Committee formally recognized in policy, we now operate under the umbrella of the Peace Arch Curling Society with all the protection that provides. Moving forward, the standing committee will have representation on the PACC Board as well as a line item in the club's budget. We look forward to a successful working relationship in this new agreement.
