### Did you Know?

- Last year the board of directors harmonized league rules so that if you spare you can only throw lead or second stones but could skip a game.
- If you play in any league as a regular player, you can spare in any night league for free. Senators do charge an extra fee to spare.
- It only takes a few seconds to melt a depression in the ice when you kneel after a shot. Try to admire your amazing skills standing up.
- A way to speed up a game to get all 8 ends in is to minimize discussion and travel time down the sheets. If you skip bring your gear with you, so you don't have walk back a second time.
- It is proper etiquette to not have three players or 4 watching from behind the hack an opposition player throw.
- What ice install looks like? Highlights compressed over many days and late nights.

## Donations - Rock Handle Campaign

What are those names on rock handles about?

For a \$1000 you can have a name of a loved one, your own, or a company engraved on the handle. Just inform the office of what handle and use the DONATE TAB on the website. Money is collected by BC Amateur Sports and a tax receipt is issued. You can donate to the building capital projects through this system. We are actively fundraising for various upcoming projects in the next few years: new floor and brine lines, new upgraded plant, dehumidifier and ice scraper.

Last year we had 4 more handles purchased.

## Our on-Ice Heaters Saga

Why is it so cold out there these days? Well during the installation of the ice it was discovered that the heaters were not turning off according to the set point on the thermostats. The surface was near melting. There were shut off manually and later we tried to turn back on to investigate they wouldn't go on. Hmm! It has been hit and miss with them. As of Thursday, the 3<sup>rd</sup> they seem to respond to manual operation again. We are renting a lift to work on them during thanksgiving weekend. Stay tuned and stay layered.

## LOCKERS – PAY TO RENEW

If you had a locker last year you need to pay again. I will be putting those **post-it** reminders on those who haven't paid. If you are not renewing your locker let me know as we have a waiting list.

### Lounge Available to Rent

As a Curler of the club, you get a 25% discount on rental of the lounge. We have hosted: weddings, receptions, celebrations of life, and parties of all sorts.

## League Rules

The only league that has a bell to stop curling (6 ends) is the Monday afternoon Women's League. All other leagues play to the bell and one more. When the score is decided the end is over.
