Farewell Candlelight

To all my friends at The Peace Arch Curling Club, thank you so much for the wonderful send off. Thank you to those who organized my going away party, it was beyond the best! I have made some wonderful friends over the past several years and hope we can keep in touch. I am hoping to help the new fellows transition in their role serving the Club. They have some new exciting ideas but also plan on keeping things the same, I hope everyone can help make this transition smooth for them.

Thank you all so much, with all my love Patti

Curl BC Fees 2025-2026

Curl Canada has increased their fee to \$5 after 20 years of no increases. Next year the total cost will be \$27. Curl BC \$21, Insurance \$1, and Curl Can \$5. This fee will be increasing over the next few years to a total of \$30. Funds to go towards curling development.

Next Season – 2025-2026 – Managers Musings

Thanks again to all the PACC curlers for their support this year as I gain more insight to the Business of Curling. Yes, we are a business and there is a need to find sources of revenue so we can repair our infrastructure. We are looking at around 1.6 million over the next 5 years to replace parts that are wearing out. Any ideas for fundraising on a large scale are welcome. We have some immediate needs (condenser, chiller, other plant issues) and long-term ones such as the floor and brine lines.

I am hoping to expand our Novice league on Saturday to 2 draws. Looking for veteran curlers to join (no charge) as a fifth to coach and mentor teams that want a dedicated spare and assistance in developing their game.

Monday/Sunday night is an opportunity to either run a new night novice league or use the time for clinics. Otherwise, we are almost at capacity.

We will be having more Saturday night Curling Socials and if there is a demand maybe a curling into the new year event.

Continue to welcome and support those new faces in the club. We are a friendly club and keep it up.

See you all next year – Ross and the Optimal Ice Crew

OTHER NEWS

The City of White Rock is having a by-election, and we are looking for 2 candidates who would be supportive of the curling club. Additionally, for **Citizens of White Rock** there is a budget survey at www.talkwhiterock.ca/budget2026

An opportunity to have your say in how the city spends your tax dollars.

The club has been working on having fees for games to be equal across all leagues. To accomplish this goal, a small increase in some leagues this year. The board has decided to use a more user pay model, so the building fee has been incorporated into league rates.

The club has an infrastructure grant application in process, as we must deal with an aging building. We are going to be replacing, next summer, the evaporator (outside of bar) as it is at end of life. Through hard work, and your generous donations we have our half of the money needed for the grant. Looking for experienced fundraising members who can think outside of the box.

New Leagues...

We will be offering a Friday Appy league for those curlers who don't want to stay up late.

It will start at 4:00 or 4:30 pm and potentially be 6 ends or 8 depending on Friday night registration.

Registration starts August 18th – get your name in on the leagues you want. Preference given to returning teams. League reps will be reaching out soon to remind you. The sooner leagues are filled then I can find the gaps to create learn to curl events.
