WHY IRP

The challenges

Industry Academia Gap

Focus is on What rather than WHY?

Lack of Industry Know Hows

Focus is on Job rather than Career

Lack of Practical knowledge over Theoretical

Questions getting Addressed.

The Mindset

The training and development skills needed for jobs offered by industry are immensely distinct. The students do not get career goals and objectives due to inappropriate training which make them unemployable and the organizations face lack of efficient workforce.

- Why do you do What you do?
- What is a winning Mindset?
- Why do Organizations Exist? How does the Ecosystem work?
- How to Plan your Career? Job Vs Career
- How do we evolve ourselves
