

WISDOM QUOTES

- Wisdom is a byproduct of living.
- Look to the question, not the answer.
- A wise person has a big heart, a curious brain, and open ears.
- Wisdom is trusting the timing of the universe.
- Wisdom is patiently waiting for the clouds to part and the sun to shine.
- True wisdom means knowing that you truly never know everything.
- Be wise enough to recognize each moment in life as a gift.
- Learning is the root of wisdom.
- All epic adventures begin with a single step forward.
- Wisdom is never accidental.
- You have to seek wisdom before you can speak wisdom
- Be bold enough to have dreams, brave enough to chase them, and wise enough to enjoy the ride.
- The wise don't wait to enjoy the view from the top of the mountain. They recognize the beauty in the journey upwards.
- Be wise enough to recognize every opportunity that comes your way.
- Wisdom is the willingness to pivot and change directions at any given time.
- A wise man doesn't look for the path to success, he paves it.
- A wise person knows that moving mountains often requires moving one small pebble at a time.
- Be wise enough to appreciate your past and recognize it isn't a part of your future.
- Be wise enough not to dwell on closed doors and to look for open windows.

- Wise is the one who walks against the grain.
- Be rich in wisdom, and you will be wealthy beyond measure.
- Wisdom is everywhere. Be open to receiving it.
- Sometimes, the wisest people have had the most challenging life paths.
- Challenges in life are the quickest path to gaining wisdom.
- Truly gaining wisdom from life requires deep humility.
- There is wisdom to be gained in everything you do in life. You just have to be willing to find it.
- Be humble enough to know whether the wisdom you wish to share with others is truly wise.
- With deep life experience comes deep wisdom.
- Just because you're old doesn't mean you're wise. It all depends on what you've gained from your life experiences.
- Life's greatest tribulations lead to life's deepest wisdom.
- Sometimes, there's deep wisdom in knowing you're not as wise as you think you are.
- Words of wisdom sometimes come from the most unexpected places.
- To hear the wisdom in another's words, you must fully listen.
- Saying wise things and doing them are totally different things.
- Only offer words of wisdom that you, yourself, follow.
- Wise words fall on deaf ears if you don't have an open heart.
- Share wise words from a place of compassion.
- Listen to wise words with your heart, not your ego.
- Sometimes, the wisest words are no words at all.
- Wise words come from your heart, not your brain.

- No matter how wise you believe you are, always be open to hearing wise words from someone else.
- Wisdom is a powerful tree in the mind's forest. It grows stronger and sturdier, and, with time, it becomes an undeniable component of a person's landscape.
- Learn to listen, and you will grow wise.
- Wisdom cannot be rushed. It comes in its own time.
- Patience and time grow the seed that blossoms into wisdom.
- Wisdom lives inside all who are quiet enough to listen for it.
- With every wrinkle is a story, a lesson, or a step in wisdom and realization.
- Growing older means being wise enough to know when to let things go and let things be.
- Never decide you are smart enough. Be wise enough to recognize that there's always more to learn.
- A wise man never wears his wisdom like a badge.
- Growing wise means learning what to put your energy into and what to walk away from.
