

TRANSFORM YOUR TAKEOUT!!

**Eliminate the "3rd Party" ordering systems.
Make more money without answering the phone or losing
money on no-show customers.**

How does VersiEats work?

**1. Add the link to your website and Facebook that takes your
customer to your menu on VersiEats.**

(Need a website? See our "Social Media & Website flyer!")

**2. Customers easily place their order from a computer or
smartphone and pay online.**

(No more "no-show" customers)

3. Orders will print at any printer in the restaurant, you decide!

4. Customers come to pick up their food or you can deliver!
