GENAURLDO USA

Running a business involves many different variables, and you are responsible for all of them. We would like to help. Genaurldo USA is a Business Consulting and Bookkeeping Service and we specialize in assisting small to medium size businesses succeed. We would like to take responsibility for a few of those variables, such as accounting, taxes, payroll, and ensuring your business is aligned with your books; this is one less thing on your to do list that can be checked off.

Our pricing plans are worry free you choose what works best for your company. Plans for remote services offered at reasonable monthly prices. Let me explain the plans we offer.

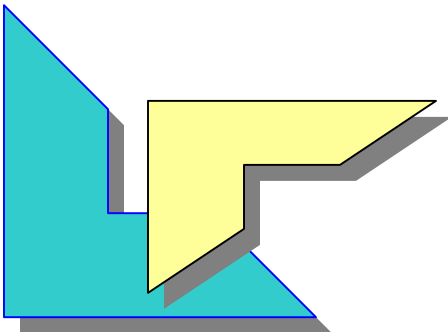

Quarterly Service is \$250 per month and this plan accommodates businesses, with no employees and less than 6 customers per month, less than 6 vendors per month, one bank account and one credit card account and we keep track of your mileage. We will maintain up-to-date books and we will prepare your financials quarterly.

Monthly without Payroll Service is \$375 per month and is designed for businesses with no employees, less than 12 customers per month, less than 8 vendors per month, one bank account, one credit card account, we track your mileage and we will maintain up-to-date books and provide monthly financials.

Monthly with Payroll Services is \$650 per month and is utilized by businesses with less than 3 employees, less than 20 customers per month, less than 10 vendors per month, one bank account and one credit card account, mileage tracking as well as reimbursable expenses. We will manage inventory up to 10 items, process payroll, manage collections, file 1099's and/or W2's, process payroll taxes, and prepare monthly financials. We will maintain up-to-date books.

Weekly Service is \$1200 per month and is a hassle free, no time for the books **PERIOD!** We will maintain your business with less than 5 employees, less than 30 customers per month, less than 15 vendors per month, one bank account and one credit card account, mileage/expenses tracking and reimburse expense tracked. We will manage inventory up to 40 items, manage collections, process payroll, file 1099's and/or W2's, process payroll taxes, and prepare monthly financials. This way you can keep your eyes on the prize.

Ala Carte Services is a customized service *it's the back office, no time for anything when you need additional help.* One accountant will be assigned to your business who will answer telephone calls, set up appointment, schedule meeting, place orders, print reports daily. Everything that is included within the weekly plan and much, much more. Call for a quote.

Our plans are designed to meet every business demand, no matter what the challenge.
