

# West View HUB Programs

The HUB is very excited to announce that we are partnering with **Shaler North Hills Library Children's Department** to offer several library programs this Fall!

## **Family Storytime - Thursdays at 2 PM**

Children from birth - age 6 and their caregivers can enjoy some fun stories, songs, and fingerplays together!

## **Alphabet Animals - Thursdays at 4:15 PM**

Everyone loves animals! Let's go through the alphabet, one letter each week, and explore some animals, both familiar and new, through stories, crafts, and other fun surprises! Recommended for kids in kindergarten & up.

Both of these programs will run from **Sept. 23 - Oct. 28**

Join us for fun at the HUB!
