### ShoreVue Photography

Thank you for your purchase! We are thrilled that you've chosen our photography to enhance your space. Please take a moment to review the licensing terms associated with your digital download.

#### 1. Ownership of Work

The image(s) included in this download are the intellectual property of **ShoreVue Photography**. Full copyright and all associated rights remain exclusively with the photographer.

#### 2. Your Personal Use License

By downloading these files, you are granted a **Non-Exclusive, Personal Use License**.

- **You MAY:** Print this image as many times as you like for your own personal use (home decor, office wall art, personal gifts).
- **You MAY:** Use the image as a digital background on your personal devices.
- **You MAY NOT:** Resell, lease, or redistribute the digital file or any physical prints made from it to third parties.
- **You MAY NOT:** Use this image for any commercial, promotional, or business purposes (including social media marketing or advertisements) without a separate Commercial License.
- **You MAY NOT:** Upload these high-resolution files to public stock photo sites or use them to train AI generative models.

#### 3. Printing Recommendations

For the best results, we recommend printing at a professional lab. Note that color accuracy can vary depending on your monitor settings and the specific printer or paper type used.

#### 4. Digital Fingerprinting

Please be advised that ShoreVue Photography files may contain **invisible forensic watermarking** and embedded metadata. This technology allows us to track the unauthorized commercial use or resale of our digital assets.
