## Timeline

Sept 4<sup>th</sup>, 2020

First Meeting with Det. Terry Burchett at Gilbert PD to get info on what she had been getting from Riley. This was attended by some PPD supervisors and officers from DOU and Homeland.

Sept 9<sup>th</sup>

We scheduled a meeting with Det. Burchett so she could intro us to Riley. This was supposed to happen at the Phx PD Pecos Substation. When we got there, we couldn't find a room that we could use. The community center was closed to the public so I asked if we could borrow a meeting room which they allowed. They are in the same building. Rohme, Burchett, me and Riley.

Oct 7<sup>th</sup>,

Met with Riley at Mountain View Precinct. Just Mike Rohme with me.

Oct15<sup>th</sup>

Last meeting with Riley. Rohme, 2 FBI agents, me and Riley. We met at a rented office room on E Camelback. I was a little late to the meeting and had to leave before it was done. This is the one that he recorded and gave parts to the press or attorney. Lund ended up with them and the charts and gave them to me and now you have them. We were signing him up as a source at that time. It was never processed due to him going to the press.

Oct 16<sup>th</sup>

Found out from my boss Darin Lund about the recording.

Oct 17<sup>th</sup>

Terminated

Am I allowed to talk to Terry about any of this or does this all have to stay between me, you, and Mike now? She was originally passing things along to you for me, but I didn't know if you still wanted me to do that.

If we still need a place for today, there's a private conference room in my building. You can't access it without a key and if I reserve it, my key is the only one that'll work. It's unlikely that we would see anybody, especially another protester. They haven't been in my house in months.

I said that I don't know and she said that if I testify, it puts me at risk of being charged because April would likely go back and research who I am. Is this true? Terry said to talk to you about it.

I told Terry the same thing. There was an issue this morning and things are about to really blow up this weekend and next week. The more I'm involved with you guys, the greater the risk for me. I'm terrified. I'm even considering moving after what was said this morning.

HOME 3:31 PM

Can you give me a call at some point? These threats are ridiculous now.
