An information source provided the following.

A subject who goes by the name Sue and who's actual name is believed to be Survana Ratman, has been present at many of the protests in the downtown Phoenix area. The source stated that "Sue" carries a backpack to these events. This backpack sometimes contains Molotov Cocktails.

The source also stated that there is a court date in Maricopa County Superior Court on Monday, October 12th at 1:30 PM, for several of the protesters that were arrested in August. The source stated that supporters are planning to disrupt the court proceedings by staging a sit in. The source said that if they are not able to get into the court building through the main entrance, they will try to get in by going to the other county offices attached to the court building.

Maricopa County Attorney's Office

Top 3 Goals:

Understand group leadership and member roles

Uncover source of funding and supplies

In the 10.15.2020 audio recordings, there are five voices. Two are the deputized Phoenix Police Officers, two are FBI Special Agents, and the last one is me. The Phoenix Police Officers work on the Joint Terrorism Task Force (JTTF).

Bruce is brought into this, but not a target. You'll hear me mention him in the meeting audio, but I've made it clear to them before that he's not the one that needs to be taken down, despite his public status.

Organizational Chart

Tier I

1. Sushil Rao (Sushi)
 - a. Strategist and planner; rarely talks in the group chats unless it's urgent; known as "protest police" by many within the group because he's always trying to control who can protest, for what, and when; most internal conflicts involve him; started the rumors with BLMPM that I was either a cop or working with the cops
2. Bruce Franks Jr.
 - a. Puts on a show for law enforcement, but every action is pre-planned and thought out; wants to make a name for himself in Arizona in preparation for a 2022 congressional campaign; filed a notice against the City of Phoenix
3. Masadi Ali
 - a. Close with Bruce; one of the main sources of money in the group (O/F); coordinates donations and supplies; had the idea to rent a storage unit near the 4th Ave jail;
4. Ryan Tice
 - a. Close with Bruce; believes he's being targeted more than others; likely to sue the City of Phoenix
5. Jonah Ivy (Jude)
 - a. Originally WE Rising; splits time between Phoenix and Tucson; peacekeeper in the group, really doesn't like the infighting and will do his best to prevent it
6. Lee Percy Christian (Percy)
 - a. Stepped back from protesting after his arrest; release conditions prohibit him from being at future protests/organizing with us; still organizing with Bruce behind the scenes
7. Naydia (Lil Bit)
 - a. Threatened my life when she realized I used to be a cadet and military because it made Sushi's story about me being a cop more believable.
8. Survana Ratnam (Sue)
 - a. By far, the most extreme and violent in the group; openly bragged in the chat about making Molotov cocktails, then showed us at a protest outside of the 4th Ave jail; would be the easiest to talk to and get to open up about plans and how to make Molotov cocktails and/or chemical weapons (chemistry background); talked about targeting specific buildings and officers; rarely sober
9. Elisabeth Carpenter (Uno)
 - a. Directly threatened Lt. Moore; one of the most extreme in the group; wants no form of government, but will "settle" for extremely progressive candidates; married to Vanessa Braacken
10. Adriana Isensee (Rocket)
 - a. Stepped back from protesting after Richard Villa got arrested; bragged about running drugs and being involved in a murder while doing so; can get you a gun/any drug within 24 hours

Tier II

11. Camille Johnson
