Chapter 2: Eye of the abyss

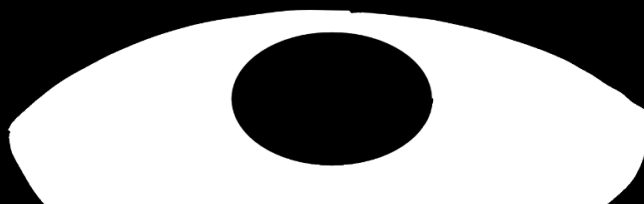

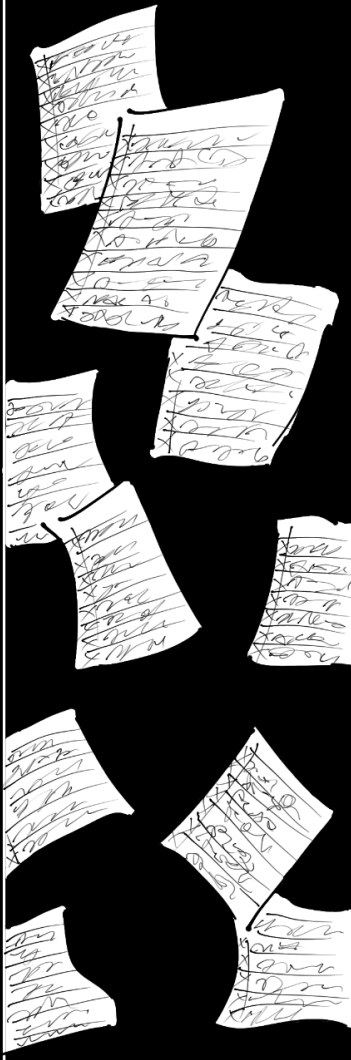

Why?

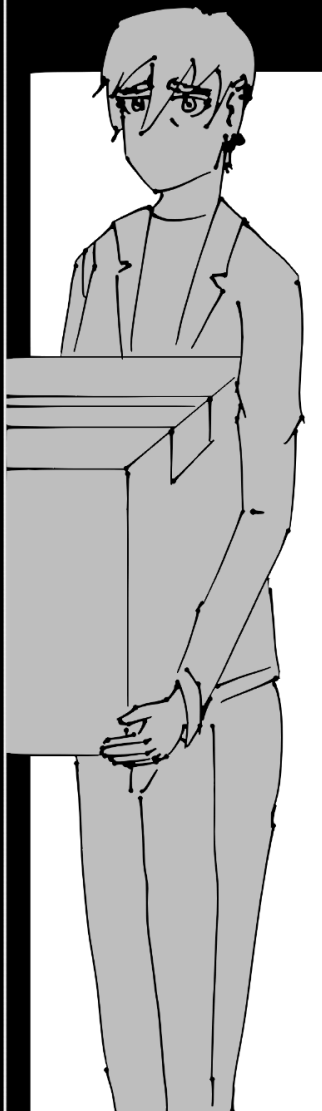

Why has it always been like this?

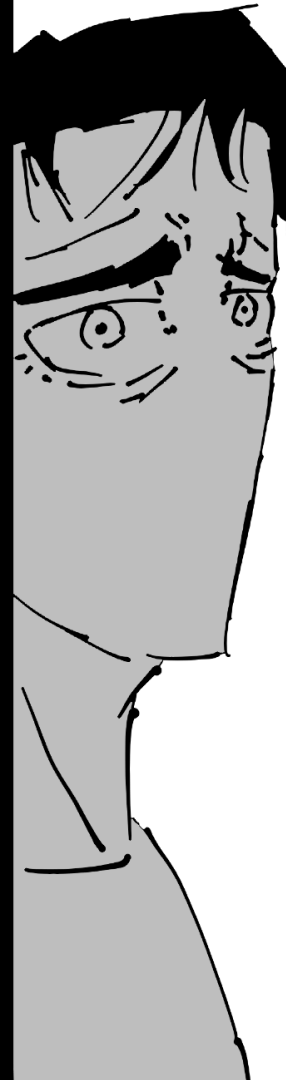

Why is it that
no matter what I try,
I never have any
control in my life?

Is there anything
I could've done
to change what's
happened to me?

Or is this
just how it is?

Yeah, that's it.
I never had a choice.

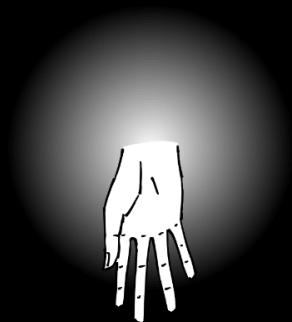

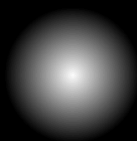

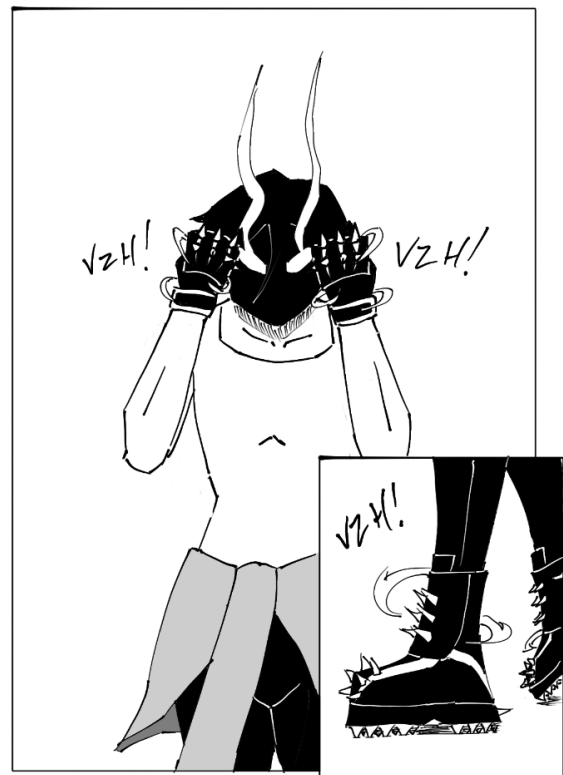

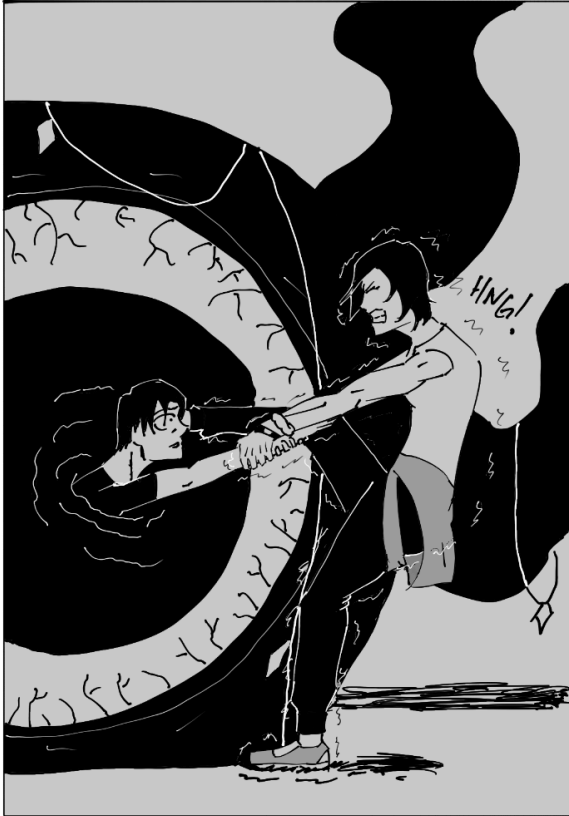

I never had
any control.

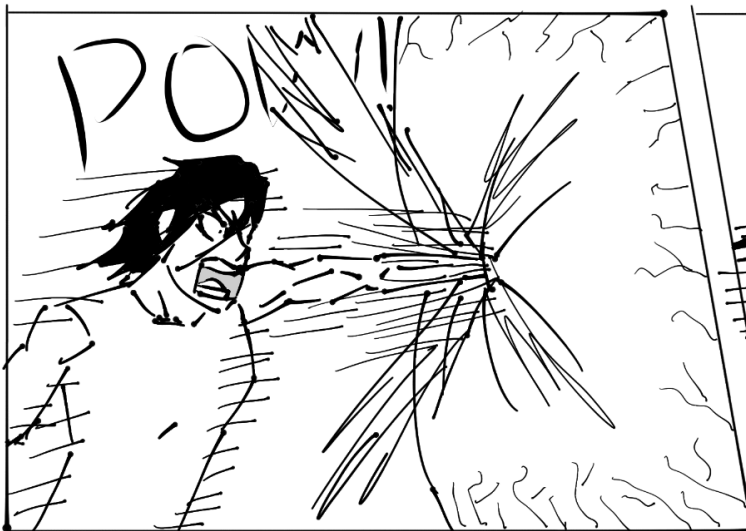

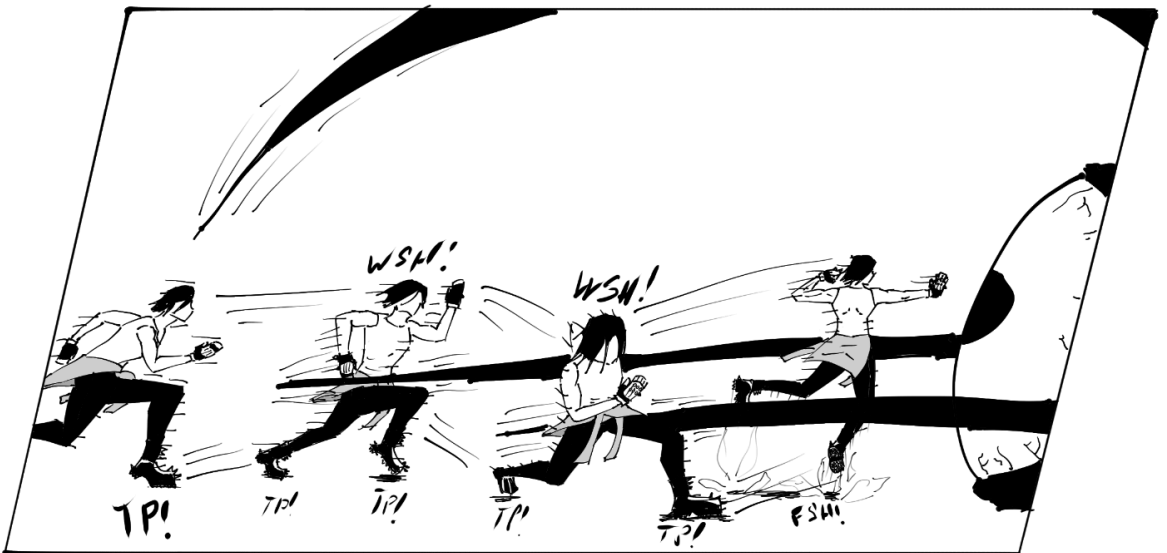

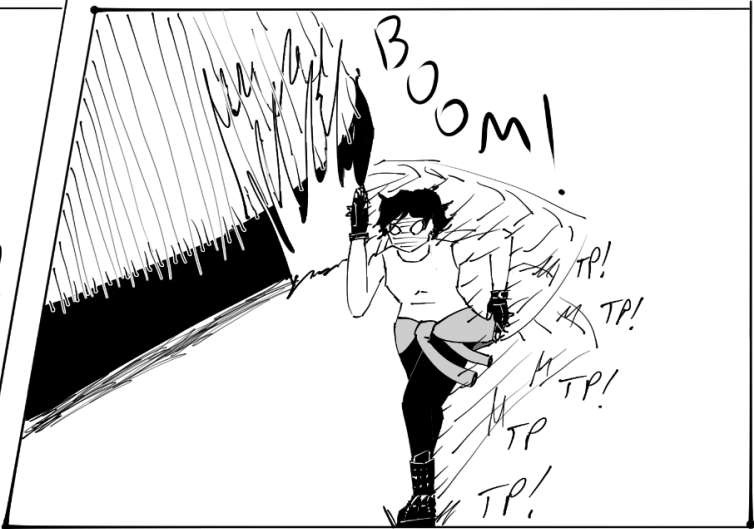

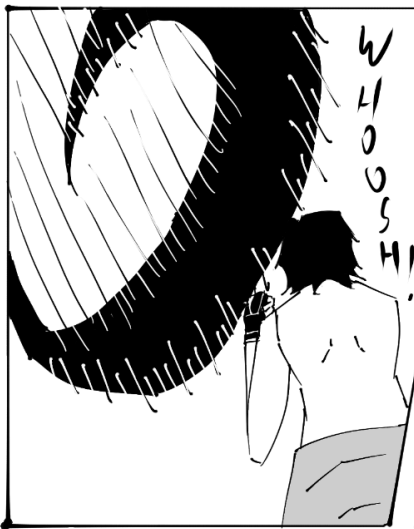

I'm helpless.

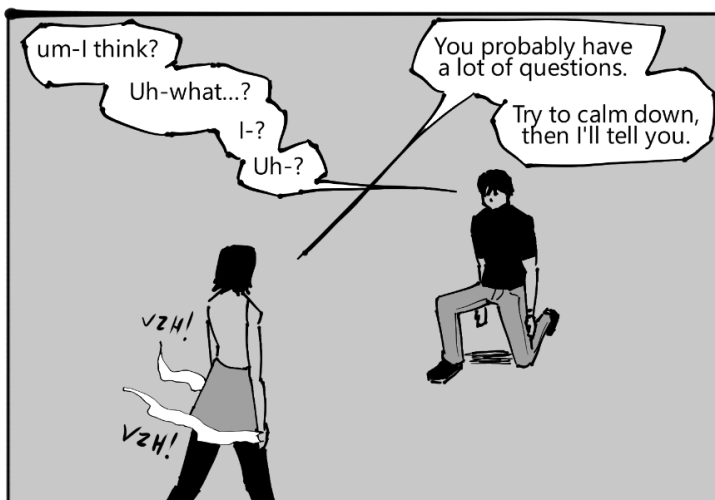

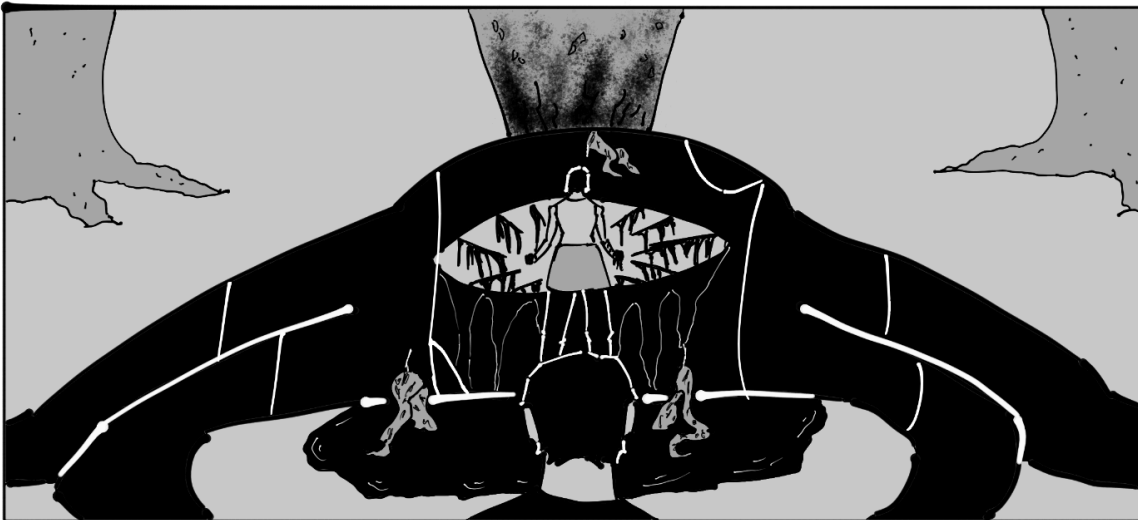

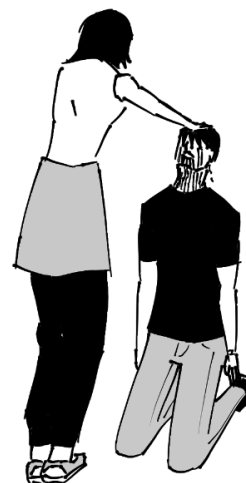

Please...
don't give up.

You really screwed this up.
