Movie-goers are asked to bring their own chairs and/or blankets.

"I am constantly dreaming up of how to make our farm a cozy home for our community and my experience with Ag and Art Film Festival has been just that. A really great evening that takes you back to Summer nights as a kid. It's also a huge pleasure to partner with Lisa and her team, I'm excited to keep this going and be a part of it!" - Justina Salinas, owner, Araceli Farms

"Events like the Ag & Art Film Festival are a great way to connect with people in your community. It is a great family friendly activity that brings community members together for a wonderful night under the stars." - Hayley Andrew, Dixon Wellness Center

The Ag & Art Film Festival is a film festival that screens movies that feature agriculture or art from all over the world, outdoors at farms, ranches & wineries in September in Solano County.
