The lace is made of separate flower motives joined together, as you make the last row. One motif is approximately 2 ½” (6.5 cm) in diameter if you use recommended thread and hook (but you can use any thread and even yarn, with recommended crochet hook).

Ch 1, SC 12 in the ring, Sl St

The petals:

Petal = TC 3 tog (for the first petal make [Ch 3 (equals TC), TC 2] tog)

Ch 3 between the petals.

Make 12 petals and 12 “Ch 3’/s between the petals. Finish with the Sl St.

JOINING THE MOTIVES.

Each motif is connected with another motif (the previous one/ones) with 3 loops, while making 2nd row of loops.

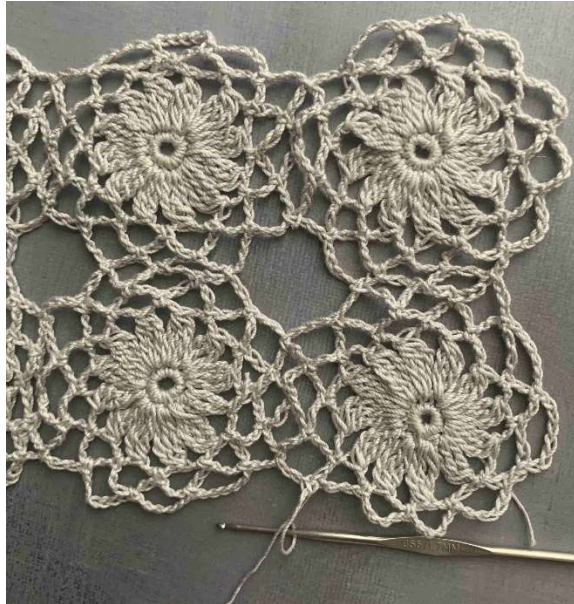

How to connect: Instead of making Ch 6 for the loop of the current motif , make Ch 3, Sl St in the other motif' loop, Ch 3, SC in the next loop of the current motif. Connect all 3 loops, then finish the 2nd row of loops of motif.
