Why Us

About Us

GRI has been catering to the rapidly expanding New Markets in India. Through our sheer preference & dedication toward quality, GRI is providing their customers, products & services with agreed requirements & delivery period.

At GRI we just don't sell – in fact we start a long-term relationship with our customers. Such relationship requires greater commitment & also acceptance of more responsibility. It is this kind of commitment which has shaped us till now.

Our manufacturing facility is located in Ghaziabad, Spreading over an area of 15000sq. ft. with essential machines needed for manufacturing High Quality Industrial Rubber Products.
