

Dear Administrator,

We all have music that is attached to our youth and brings back memories and comfort to us in our lives. This is especially true and as we grow older, music bridges the years in between and reminds us of the joy of living.

Jeff is a musician with more than 40 years of experience playing guitar and singing for audiences in restaurants, hotels, music festivals and other venues. His wide repertoire includes songs from the 50's - 90's and more.

In addition to his popular songs, Jeff has served as music director for several churches over the last 3 decades and is familiar with a number of hymns and contemporary worship. Having lived in Hawaii for many years, he can also play a number of Hawaiian songs if you have an Island themed event.

Finally, Jeff is a singer/songwriter with 3 CD's to his credit of original music.

Practically speaking, Jeff is available in the San Antonio area where he has lived for the last 11 years. He has a variety of PA's available for different sized venues.

Rates: \$100.00 (including driving time and setting up/tearing down and one hour of music is suggested. With \$50.00 per hour for any additional hours of performing.

Please let me know if I can be of service to your facility.

Sincerely,

Jeff Schmidt
