

## Andrea Neese's Famous Sausage Dip

1 pound Hot Neese Sausage

8 oz regular Cream Cheese...(Philadelphia)

1 10 ounce can of Rotel (I use the Original variety, but you can use which ever variety you like)

Brown the sausage.

Crumble the sausage as you cook it.

Drain the sausage and wipe the frying pan.

In the same frying pan, melt the cream cheese.

When it is melted, add the entire can of Rotel, mixing well.

Add the sausage and bring to a gentle boil.

Serve right out of the frying pan or put in a crock pot.

Serve with tortilla chips or over toast.

Enjoy!!
