INTRODUCTION FOR TODAY'S READINGS
Fifth Sunday of Easter (Cycle C)

First Reading: Acts 14:21-27
The Acts of the Apostles shows how the Easter message spread to all parts of the Mediterranean world. Today we hear a travelogue of part of one of Paul's missionary journeys that took him to modern-day Turkey. The mountainous terrain there made travel difficult and dangerous. The situation was made even worse because of the constant threat of robbers, flash floods and wild animals.

Second Reading: Revelation 21:1-5
Many people think that the book of Revelation gives secret information about future events, including the end of the world. But it was really intended to be a source of hope for Christians suffering persecution toward the end of the first century. The author vividly describes visions of how God will ultimately overcome all evil and bring all creation to its destiny.

Next Sunday's Readings
Acts of the Apostles 15:1-2, 22-29 (57C)
Revelation 21:10-14, 22-23
John 14:23-29
