OCTOBER IS RESPECT LIFE MONTH!

The USCCB Committee on Pro-Life Activities is inviting all Catholics to join a focused effort of prayer and action to stop the spread of abortion pills. We are asked to invoke the intercession of *St. Joseph, Defender of Life.*

A Prayer to St. Joseph, Defender of Life

Dearest St. Joseph, at the word of an angel, you lovingly took Mary into your home. As God's humble servant, you guided the Holy Family on the road to Bethlehem, welcomed Jesus as your own son in the shelter of a manger, and fled far from your homeland for the safety of both Mother and Child. We praise God that as their faithful protector, you never hesitated to sacrifice for those entrusted to you. May your example inspire us also to welcome, cherish, and safeguard God's most precious gift of life. Help us to faithfully commit ourselves to the service and defense of human life – especially where it is vulnerable or threatened. Obtain for us the grace to do the will of God in all things.

Amen.

Please Support our Seminarians: Please make your donation online at ajvocations.org/give or use the special appeal envelopes available in the church.
Thank you!

STEWARDSHIP REFLECTIONS

Today’s readings challenge the modern-day disciple to imitate more fully both the actions and attitudes of Christ. This is, after all, the point of our stewardship way of life.

St Paul encapsulates the actions and attitudes we must strive for in the Second Reading, from the Letter to the Philippians. “Do nothing out of selfishness or out of vainglory; rather, humbly regard others as more important than yourselves, each looking out not for his own interests, but also for those of others.” In other words, Paul continues, “Have in you the same attitude that is also in Christ Jesus.” Whether we are at work or school or within our own homes, our actions should be focused on others first in imitation of Christ, Who is always perfectly focused on others.

We are called to a high and holy standard – living as Christ’s disciples every day and with every person the Lord places in our path. But we can move towards this goal in ‘baby steps.’ We can even take a step backward from time to time because our Father is merciful and kind. What matters is that we keep baby-stepping along, assured of the grace we need to more closely imitate the actions and attitudes of Christ. This is the beauty of the stewardship way of life.
