Re: ClaraMining & Vectrance Italia Appointed as Sales & Marketing Agents of Star Charge in Italy, France & the UK

Dear Shareholder,

ClaraMining SAS is pleased to announce that the company has established a partnership with Star Charge of China.

<https://en.starcharge.com>

ClaraMining SAS and its sister company Vectrance Italia Srl are the sale & marketing agents of Star Charge's products in the following territories: Italy, France & U.K.

ABOUT STAR CHARGE

Star charge specialised in manufacturing charging equipment for new energy vehicles, serving global clients with charging infrastructures, platforms, users and data operation, with the aid of vehicle sales, private charging, public charging, financial insurance and other businesses, Star Charge creates a user charging life cycle platform, dedicates to serve 500 million people with Internet of Things all over the world, and now, Star Charge has developed into a mainstream private EV charging operator in China, leads the industry in high-power charging technology and intelligent operation and maintenance platform.

Sincerely,

The Management
