

Date: 19-01-2015

Steriwave Group's sister company, Vectrance, has won a contract in West Africa worth 8.5 million US\$ per year. The contract is to run for several years. In 2015-2016 we expect Vectrance alone to turn some 14 million per year.

DNI-VECTRANCE has 87 strong engineers and geoscientists spread in 5 continents. Vectrance has offices in; France, Canada, Angola, Nigeria, Russia and Morocco. Steriwave is among the largest 3 stockholders.

Sincerely,

The Management
