# 2025-26 POINTS OF EMPHASIS

# HIGH SCHOOL ATHLETICS ARE EDUCATION-BASED

- High school athletics play a vital role in the overall growth of student-athletes, providing opportunities to develop physically, mentally, and emotionally.
- Soccer serves as a platform for building essential life skills such as teamwork, discipline, leadership, and resilience.
- Coaching priorities focus on fundamental skills, strategic gameplay, and decision-making while instilling respect for opponents, officials, and teammates.
- As the game evolves, a strong understanding and application of the rules are essential to maintaining fair and safe competition, making rule education a key responsibility for players, coaches, and officials.

# HIGH SCHOOL ATHLETICS ARE EDUCATION-BASED

- A well-rounded high school soccer program should emphasize both athletic and academic development, reinforcing the importance of discipline, time management, and perseverance.
- Education-based athletics prepare students not only for success in sports but also for their future endeavors by teaching valuable life lessons through competition.
- Schools, coaches, and administrators must work together to ensure that high school soccer fosters growth, responsibility, and leadership, creating a positive experience that supports student success both on and off the field.

# COURAGE, CHARACTER AND CONSISTENCY

It is important for contest officials to conduct themselves in a professional manner that upholds the dignity of the position. This includes arriving on time, conducting the proper pregame, knowing and applying the **NFHS rules** properly, speaking to players and coaches in a professional manner, and completing any necessary postgame reports.

# TEAM AREAS AND BENCH DECORUM

Effective communication and game management are essential. Recognizing and addressing dissent early is crucial — public, provocative and/or persistent complaints must be dealt with decisively.

The official's role is to keep the game safe and fair.

Coaches set the tone for their teams. Adult leaders must be champions of character.

# UNIFORM/EQUIPMENT REQUIREMENTS

Student-athlete safety is a priority, and that starts with players wearing proper uniforms and equipment. Specifically, **players are required to wear shinguards** suitable for their age and size. **This is a non-negotiable item in the NFHS**, not a player's or coach's decision.

# UNIFORM/EQUIPMENT REQUIREMENTS

Shinguards must have a NOCSAE seal and information about height requirement. The coach is responsible for ensuring their players adhere to this and referees must enforce the rule. Referees should inspect and, if needed, correct the issue in a professional manner. Officials should also be on the lookout for players with micro guards. **No one is to play at the NFHS level with illegal or improper shinguards.**
