July 2023

Boys Soccer Athletic Directors, Coaches and Officials:

Welcome to the 2023 CHSAA Boys Soccer Season! Over the past several years, the growth of the sport in Colorado has been tremendous. We currently have a record number of schools participating in both boys and girls soccer, increased attendance throughout the postseason, along with enhanced postseason venues across all classifications. Additionally, several sport-related changes have been implemented to enhance the game for all involved. During the 2023 season, the elimination of regular season overtime will be introduced to better align the state with the NCAA. Throughout the Bulletin you will find detailed information on these updates, along with additional specifics on the upcoming season.

The online Bulletin is published yearly to offer information on the regular and post season, important dates, along with CHSAA and NFHS rules and procedures. It is your responsibility to review and make yourself familiar with the information contained within this Bulletin. Should you have any questions throughout the season, please do not hesitate to contact me directly. You will also be able to find relevant information on the www.CHSAANOW.com website.

The 2023 Boys Soccer Season will again feature 32 playoff qualifiers (16 2A) across classifications with a Championship played on November 11th at Weidner Field in Colorado Springs.

Best wishes to all two hundred twenty-one of our CHSAA Member Boys Soccer schools during the upcoming season.

Sincerely,

Justin Saylor
Assistant Commissioner
Colorado High School Activities Association

CHSAA Emergency Action Plan-

Every member school is required to create a Venue-specific Emergency Action Plan (VEAP) for each site that the member school practices and hosts athletic contest. On rSchool, there is an Emergency Action Plan under Forms that you can either upload your VEAP(s) or fill out the form on rSchool. If you would like to fill out one to upload, you may use this [template for each venue.](#)

MAJOR SOCCER COMMITTEE REPORT CHANGES:

I. MAJOR CHANGES FROM 2022-2023 REPORT:

A. Beginning Fall 2023, elimination of overtime during the regular season.

II. RATIONALE:

A. Eliminating overtime in the regular season aligns with the NCAA and was backed strongly by the Officials Association (HSSO). The committee felt that by eliminating overtime in the regular season, officials would have the ability to accept back-to-back games at different locations knowing that there will not be a situation where overtime would delay the time they could leave one venue and arrive to another. With a 10% decrease in the overall number of officials in 2022, this was an attractive solution to making officials available for multiple games on the same day. Additionally, lower-level games that follow a varsity game where lights are not available often have their game time cut short when overtime is played. Eliminating overtime in the regular season would increase the likelihood of these games starting on time. Finally, ties are already part of the game of soccer here in Colorado and are a possible outcome of every CHSAA game. Elimination of overtime reduces additional match time in an already packed fall and spring schedule while arriving at an outcome that is already possible with the current two overtime format.

MAJOR BYLAW CHANGES 2023-2024

- 1. WINTER AND SPRING REGAIN DATES**
-- Constitution & Bylaws, Article 17, Rule 1710 (d) (2)page 51
- 2. TRANSFER 365 DAYS FROM THE LAST DATE OF PARTICIPATION**

2023-2024 NFHS Soccer Rules Changes

3-3-2b (2,3) (NEW): Permits the referee to stop the clock to review game situations at any time without negatively impacting a player's ability to remain in the game.

Rationale: This rule change affords the ability for the referee to stop the clock and review situations without negatively affecting a player's ability to remain in the game. However, once the referee beckons medical professional or coach onto the field to further assess, the player must leave the field of play.

3-3-7: Clarifies where a player should re-enter the game to avoid confusion.

Rationale: This rule change clarifies that a player should re-enter the game from the official area at midfield. This avoids potential confusion as to who is or is not in the game.

3-4-1e (NEW): Clarifies players should exit the field on the bench side unless unable to do so due to injury.

Rationale: To assist the officials in the managing of substitutions, players should exit the field from the bench side when the substitute(s) are beckoned on by the referee unless the player(s) is unable to do so because of an injury. This avoids unnecessary interaction with opposing teams and fans and minimizes the potential for unsporting behavior.

4-2-12 (NEW): Defines how wearable technology devices may be worn.

Rationale: Sets a national standard for wearable technology. This change clarifies that these devices may be worn as a part of the shoe and/or under the uniform but not worn on the arm. Coaches and players are still not permitted to utilize technology to communicate during the game.

Rule 4 Reorganization: Adjusts the structure of the uniform rule to offer clarity.

Rationale: The reorganization of the uniform rule breaks up the rule into bite-size pieces that are easier for coaches and officials to apply.

11-1-5 (NEW): Defines deliberately playing the ball to clarify the existing rules.

Rationale: Defines the criteria for deliberately playing the ball when determining an offside infraction.

12-1-1 thru 3 (NEW), 18-1-1: Clarifies various foul categories and defines the seven direct free kick fouls to provide consistency.

Rationale: The new article in Rule 12 and added definitions to Rule 18 define the seven direct free kick fouls and provide consistency for officials interpreting misconduct.

12-3-2, 3 (NEW): Clarifies that neither accidental nor deliberate hand/arm contact can result in a goal.

Rationale: The new articles eliminate the necessity for the referee to determine if the hand/arm contact was accidental or deliberate. Now, neither accidental nor deliberate contact with the hand/arm result in a goal for greater consistency and ease of interpretation.

12-8-5 (NEW): Offers clarity regarding goalkeeper handling not permitted outside and inside the penalty area.

Rationale: Adding language and direction for officials regarding goalkeeper handling outside the penalty area and inside the penalty area when they are not permitted to handle the ball.

12-9-4(NEW), 12-8-1f(14, 15), 12-8-2d (3,4): Defines considerations of denying an obvious goal-scoring opportunity (DOGSO).

Rationale: This rule defines the considerations of an obvious goal-scoring opportunity to provide additional consistency and clarity for referees.

2023-2024 NFHS POINTS OF EMPHASIS

Wearable Technology

Technology companies are making massive strides in developing and marketing wearable devices for student athletes. Wearable sports technologies are being used to monitor athletic training, in-game performance, and recovery after an injury. The availability of wearable technologies that allow individuals to monitor a variety of body functions, including but not limited to heart rate, blood pressure, pace and distance traveled are readily available and cost effective. Nearly all these wearable technologies can both transmit and receive collected data from other mechanisms. This data can be used to evaluate how the body is performing, and the user can adjust as needed based on that data. While there are many different types, styles, and functions, the technology can only be worn as a part of the shoe and/or under the uniform and not worn on the arm or below the level of the shoulder.

Coaching and Team Area Decorum.

Good sport conduct is the behavior appropriate of coaches, players, and bench personnel. This includes every individual who is in the team area during a game. Coaches set the tone for the contest with their display of sportsmanship. Officials should focus on the actions of players, coaches, and other bench/sideline personnel. A positive, open line of communication between officials and coaches ultimately results in a better contest for everyone involved. Inappropriate bench behavior shows a clear lack of respect.

Examples of inappropriate bench decorum include but are not limited to:

- Kicking or throwing objects in reaction to a decision.
- Entering the field of play to dissent a call or confront an official or player.
- Acting in a provocative or inflammatory manner.
- Arguing calls consistently.
- Engaging in a verbal or physical confrontation with the opposing coaching staff or players.
- Confronting or arguing with spectators.

Referees are reminded that they are expected to manage this type of behavior.

Denying an Obvious Goal Scoring Opportunity (DOGSO)

Denying an Obvious Goal Scoring Opportunity (DOGSO) is an egregious attempt to prevent opponents from scoring. Although Rule 12 describes the various sanctions in place when an opponent is denied an obvious goal scoring opportunity, the rules have not offered guidance or criteria for DOGSO in the past. For a player to be sent off for denying an obvious goal-scoring opportunity the following four criteria must be present:

1. Distance between the offense and the goal (the offense must be near the goal).
2. General direction of play (the attacking players are generally headed toward the goal).
3. Likelihood of keeping or gaining control of the ball (the player must have or been able to control the ball to score).
4. Location and number of defenders (If another defender, including the goalkeeper is in a closed enough position to make a lawful tackle or attempt a save then this criterion is not met)

If any element is missing, the player cannot be sent off for denying an obvious goal-scoring opportunity. When you are considering the criteria above here are some questions to ask yourself.

1. What is the distance between the offence and the goal?
2. Does the player have control of the ball?
3. Can the player gain control of the ball?
4. What is the direction of play?

5. How many defenders are involved in the situation?
6. Where are the defenders located?
7. Does the offence lead to a direct free kick or an indirect free kick?
8. If no offence were to occur, would the player have an obvious opportunity to score a goal?
9. Does the player deliberately handle the ball to deny the opposing team a goal?
10. If the offense occurred inside the penalty area, was the offence an attempt to play the ball?

Offenses which deny a goal-scoring opportunity are not limited to those punishable by a direct free kick or penalty kick. Referees are reminded that these offenses may include fouls for which the restart is an indirect free kick.

Substitutions

Managing substitutions is one of the many tools an official must manage the game. Generally, substitutions are made prior to a throw-in, a corner kick, after a goal, at halftime or because of an injury. If a player is being replaced, the player shall exit the field on their bench side unless the player is injured and unable to exit to that side of the field. By exiting on their team bench side, the player does not have to walk in front of stands, or behind opponent's goal, or an opponent's bench.

If a player is injured and a team elects to play shorthanded while the injured player is being evaluated this is a coach's choice. Injured players may be attended to anywhere off the playing field but if the player is cleared to play, they must re-enter from the official's area on the bench side of the field when beckoned by the referee.

COLORADO STATE RULE ADOPTIONS

Number of Officials – Colorado has adopted the use of either a two or three-person officiating system.

Suspended Games – During the regular season, if one half of play has been completed, the contest will be declared official. If one half of play has not been completed, it will be restarted from the point of interruption.

Mercy Rule

- A. During the pre-game meeting with the referees and the head coaches from both teams, the following material will be defined regarding the mandatory Mercy Rule.
 1. The head referee will facilitate the meeting of the coaches and will inform both teams that the game will be played under the mandatory Mercy Rule.
- B. Once a 7-goal differential between two teams is achieved, the referee will inform both coaches that the Mercy Rule has been invoked and the referee and/or timekeeper will let the official clock run during injuries, penalty kicks, after goals, and during referee disciplinary actions.
- C. Game termination – once a 10-goal differential is reached, and the first half of play has been completed; the referee will end the game during regular and post-season play.

Overtime Procedures for Regular Season – If the game is tied at the end of regulation, the result will be recorded as a tie. There is no overtime for regular season Varsity or Lower-Level contests. Any contests that are part of a CHSAA sanctioned tournament may use a shootout to advance a team in the bracket. The official game result, as it relates to record/standings, will still be entered as a tie in MaxPreps.

Overtime Procedures for Postseason Games – Up to Two 15-minute sudden victory (golden goal) overtime periods will be played. If neither team has scored after both overtime periods, Kicks-from-the-Penalty Mark will determine the winner. Reference page 28 of the bulletin.

Ejected Player/Coach Penalty – A player or coach ejected will be subjected to the CHSAA player/coach ejection policy, By-law 2200 and 2210.

Student/Team Practice Requirement – Each student competing in an interscholastic sports program must have had a minimum practice period of three days in their sport(s) (exclusive of Sundays) before representing his/her/their school in an interscholastic contest or scrimmage. A student must have a minimum of nine days of practice in football. Receiving school must have written verification on file if transfer of schools is involved.

- By state association adoption, commemorative or memorial patches placed on the jersey may not exceed 4 square inches.
- Armbands shall be worn on the upper arm by the team captain.
- Substitutes should wear distinguishing pinnies when warming up outside the team area.

Sportsmanship Protocol at all CHSAA Contests and Activities

1. Cheerleaders/Fans/Spectators

- It is recommended that there be positive cheers only.
- Only cheerleaders may use megaphones.
- All patrons must wear shirts and shoes. Face painting is allowed.
- Cheer and tumbling routines must be in front of your team's student body. Routines that spill into the area of the opposing team are prohibited.
- Cheer squads may perform under the basket area outside the free vertical lane lines at all times.

2. Banners

- One cloth or vinyl banner may be used, but must be sanctioned by the game management, principal, and/or athletic director before the contest. Note: Some facilities, including venues used for CHSAA playoffs, may not allow any banners. Paper banners are not allowed at CHSAA sponsored playoff events.
- The words and graphics on banners must be positive: i.e. "beat", "outscore", "conquer", etc.; Negative banners: i.e. "kill", "maim", "scalp", etc., will be confiscated and may result in no future use of banners.
- Banners must not block the view of others.

3. Noisemakers

- All artificial noisemakers are prohibited. This includes: cowbells, drums, whistles, horns, plastic clackers, thunder sticks, etc. Exception: bleacher kicking is permitted if the facility management allows it.
- An air horn or cannon may be used on the field and only if supervised by a school designee. It should never be disruptive to the playing of the game and used only during dead ball periods at the end of playing action.
- No musical instruments and/or amplified music, including drums, shall play while the game clock is running or when a 'live-ball' situation is applicable by rule, whether the game is indoor or outdoor. This includes fanfares, drum rolls, etc. The only time the game, once started, is not "in progress" is during a timeout or intermission. This applies to the use of outdoor, in-gym, or in-arena sound systems and public address announcements. The announcer is an integral member of game administration and is a reporter of information not necessarily obvious to spectators. Great care must be exercised to see that neither team gains an advantage from announcements over the public address system. Announcers are not "play-by-play" announcers.
- There shall be no amplified instruments at any CHSAA playoff events.

4. A list of acceptable and unacceptable behaviors can be found on CHSAAnow.com under Activities>Sportsmanship in the Game Management and Sportsmanship Expectation Guide.

5. CHSAA Venue Sportsmanship Expectation Poster

All schools are strongly encouraged to post the poster/flyer at all school contest venues, with or without using the card system protocols. The Sportsmanship Expectation Poster provides a consistent message for our schools to fans and spectators in our gyms about how to treat referees, judges, umpires, and other sports officials. Any size of the poster/flyer will do. Download the 8 ½ x 11 version at Chsaanow.com.

CHEER FOR YOUR TEAM AND NOT AGAINST THE OPPONENT!!

MESSAGE FROM HSSO OFFICIALS' PRESIDENT

High School Soccer Officials (HSSO) is the CHSAA-sponsored organization which recruits, trains, evaluates, and when necessary, disciplines high-school soccer officials in Colorado.

We ended the spring 2023 season with 374 registered officials in Colorado – a significant increase from previous seasons - but still not enough to cover the increasing number of games. We are always recruiting and the recently approved CHSAA game fee increase will certainly help with those efforts. Send any prospects our way.

Tuesday and Thursday games remain a challenge as that's when most schools seem to want to play their games. Monday, Wednesday and Friday are much quieter. I would certainly advocate spreading your games across the week to get better coverage of your games.

As we continue to add new referees to the High School ranks, please give them your support – especially the younger referees – they are our future.

We are always open to feedback and input on how to improve our organization and our referees - please do not hesitate to reach out as we go through the season.

Good luck with your season.

Regards

Ken Hehir

OFFICIALS' INFORMATION

OFFICIALS' FEES

Officials' game fees for the 2023-2024 season:

\$85 – 3-Officials Diagonal (1 Ref/2 AR's) Varsity Game *Diagonal system expected for Varsity

\$100 – 2-Officials Varsity Game

\$60 – 2-Officials Sub-Varsity Game

\$85 – 1 Official Sub Varsity Game

Mileage – 50 cents per mile. Exception see note 1 that follows: Note 1: The Confluence (except Champion); The 5280 (except Gilpin County); The Colorado 7(except Fort Lupton, Elizabeth, Fort Morgan, Weld Central); The Jefferson County (except Conifer & Evergreen), Denver, Continental, East Metro, Front Range (except Fort Collins, Loveland, Poudre and Rocky Mountain), Frontier (except Bennett, Clear Creek, Lake County, Middle Park and Platte Canyon), Metropolitan, and Centennial leagues and Broomfield, Denver Academy, Denver Christian, and Valor will not pay mileage between league cities, but will pay a mileage travel stipend of \$10 to each official between league cities per day of assignments. Colorado Springs schools will pay mileage travel stipend of \$10 per day of assignments to officials selected from the Colorado Springs Officials' Association. An official that is assigned to two or more contests at a given site on the same day shall be paid one travel stipend or reimbursement.

Only ONE driver will be paid the mileage reimbursement for each contest. It will be paid to the official on the crew who travels the farthest. Issues with multiple drivers must be solved between the officials and the assignor prior to the game. In lieu of per diem, a rider fee of \$10 is paid to officials, non-drivers only, who are riding on trips of 75 miles or more one-way.

For regular season contests, the most an official should receive for mileage reimbursement is 75 miles. This does not apply to post season contests where officials are assigned by CHSAA. Please refer to the current Officials' Report in the Legislative Council Minutes for more information.

Individual Mileage Buffer - No mileage will be paid to an official whose town of residence is 20 miles or closer to the host school. Full mileage (including first 20 miles) will be paid to officials who travel over 20 miles. This does not apply to the metro area officials described above that receive the \$10 travel stipend.

EVALUATE YOUR OFFICIALS

Coaches are asked to evaluate the crew of officials after each game.

The CHSAA and the Colorado High School Soccer Officials Association value your input on the officiating in our state. The [Rate Your Contest Official](#) form can be found on the CHSAANow Boys Soccer page. It is important that coaches approach this with the mindset that constructive criticism is the best way to improve officiating in Colorado.

VOTING FOR POSTSEASON OFFICIALS

The High School Soccer Official's (HSSO) Organization will work to continue to bring you the best officials from the HSSO organization. To work postseason games, officials must submit an application by October 9 to be considered. Official postseason selection is based on the votes of Coaches, Athletic Directors, Assigners, and Area Directors that will be conducted October 9-16. **Coaches and Athletic Directors** - it is imperative that you participate in the voting which is done online through a link that will be provided to you from the CHSAA office.

BECOMING AN OFFICIAL

If you or someone you know is interested in becoming an official, please contact the CHSAA official's office at mtillman@chsaa.org.

CHSAA REGULAR SEASON GAME MANAGEMENT

1. All regular season games will be played according to the NFHS and be completed by **Saturday, October 21, 2023 for all schools.**
 2. Student/Parent Information – Completed and signed documentation that parents and participants have been informed, understand and acknowledge basic CHSAA eligibility rules and knowledge of the risk of participation must be on file with the school prior to any student participating in an athletic practice, scrimmage or contest.
 3. Physical Exam/Parent Consent - No student shall represent his/her schools in interscholastic athletics (practice or contest) until there is on file with the school administration a statement signed by his parent or legal guardian and a practicing physician certifying he/she has passed an adequate physical examination within the past year (12 calendar months) and is physically fit to participate in high school athletics and has the consent of his parents or legal guardian to participate.
 4. Trainer's Kit - The CHSAA recommends that a trainer's kit, with all the necessary medical supplies needed for your sport, be available at all practices and contests.
 5. Language - Coaches are reminded that the CHSAA focuses on exemplary behavior. The use of bad language may be penalized by disqualification. Work with your athletes at the beginning of the season to understand that whenever the uniform is worn, they represent their school and the philosophies of the CHSAA.
 6. Taunting - Taunting is considered any action(s) or comments by coaches, players, or spectators which are intended to bait, anger, embarrass, ridicule or demean others, whether or not the deeds or words are vulgar or racist. Game officials shall, in all sports, follow the rules set forth by the National Federation for each sport. Penalties under these rules may include ejection or other penalties for flagrant unsporting-like behavior-like offenses. Taunting in all sports and/or activities is an unsporting-like behavior-like offense that may result in a game ejection with penalties as outlined in the student ejection policy in the CHSAA Handbook.
 7. Sunday Contact – In accordance with Bylaw 2310.5, no high school interscholastic contests, practices for interscholastic contests, camps, nor association between participants and coaches/directors of any CHSAA sanctioned sport from the student's school shall take place on Sundays during the competitive high school season (start of official practice through the state tournament). The Commissioner may, when deemed advisable, allow postponed state-level events to be played on Sunday. Teams playing on Monday in district, regional or in a state-culminating event will be exempt from this rule.
 8. MaxPreps is the official site we use to collect data for regular season scores and statistics. Please report all game information to this site (www.maxpreps.com). More information and a user guide may be found on the CHSAA homepage: www.chsaanow.com. All scores must be posted in MaxPreps by the home team within 24 hours of the end of the game.
- NOTE: All schools competing against an out-of-state opponent must submit an out-of-state opponents form (located on rSchool) which must be submitted before the date of the game.
9. Team Bench Areas - It is **strongly recommended** in the regular season (required in postseason) that both teams sit on the same side of the field as per Rule 1 – the Field of Play, Section 5 – Officials and Team Areas. This arrangement of both team areas on the same side of the field

assists in the administration of the game. This arrangement of the teams has also proved to be successful in the sporting behavior of both players and coaches. If this recommendation does not accommodate the needs of your school soccer program it is understood.

- a. There must be minimum 10 feet distance between spectators and team benches.
- b. **Coaches/administration should assess and determine appropriate sideline spacing for each individual site.**

This is not meant to suggest that fans from both schools must sit on the same side of the field. At many soccer fields and venues, teams are on one side of the field and spectators are on the opposite side of the field. The practice of teams on the same side of the field is most common in club, youth, college, professional soccer and in World Cup competitions.

10. **Field Markings** - The CHSAA asks that you work with your maintenance and field staffs to make sure your field of play is marked as per the NFHS rule book guidelines. A field diagram can be found at the end of this bulletin as well as the NFHS rule books on the page following the table of contents. It includes the markings for team bench and officials' areas for teams located on the same side of the field, as per NFHS rules. It is the responsibility of each school and their athletic department, in cooperation with their grounds staff, to ensure their soccer field is marked in accordance with the rules of the game.

Reminder to AD and coaches about soccer fields without fences or barriers for fans:

There must be minimum 10 feet distance between spectators and team benches. The NFHS rules require a chalked or marked line 10' from the boundary lines. In addition, no one shall be permitted directly behind either goal unless seated in bleachers. Please locate the NFHS soccer field diagram in the front of the soccer rule book for directions to these markings.

11. Coaches of all levels (varsity, junior varsity, and freshman) must present to the referee or center official a copy of the up to date and accurate team roster, including bench personnel, numbers and names of all team players, before the game begins (should also be updated in MaxPreps).
12. The host school and tournament host school is responsible for keeping a varsity scorebook, which contains a team roster, including numbers and names of all team players for all varsity matches.
13. A game may only begin when at least 7 players are available to play; once a team is reduced to less than seven players the game shall be terminated (NFHS rule 3, Article 2, Page 14).
14. **Uniform Requirements** - Refer to NFHS Soccer Uniform Requirements listed previously in this bulletin.
15. **Mandatory Mercy Rule:**
 - A. During the pre-game meeting with the referees and the head coaches from both teams, the following material will be defined regarding the mandatory Mercy Rule.
 1. The head referee will facilitate the meeting of the coaches and will inform both teams that the game will be played under the mandatory Mercy Rule.
 - B. Once a 7-goal differential between two teams is achieved, the referee will inform both coaches that the Mercy Rule has been invoked and the referee and/or timekeeper will let the official clock run during injuries, penalty kicks, after goals, and during referee disciplinary actions.
 - C. Game termination – once a 10-goal differential is reached, and the first half of play has been completed; the referee will end the game during regular and post-season play.
16. **Suspended Games** – If play is suspended for any reason during the first half of a regular season game, the contest will be restarted at the point of interruption or declared a no contest. If the game

is interrupted after the first half has been completed, the game will be declared official.

If a weather element affects the field condition or safety of the athletes, by NFHS Rule, the home site management has responsibility to determine if the game is to be started. Once the game has started, the game referee then has sole responsibility to continue or terminate the contest.

17. Length of Game – Two equal halves of 40 minutes each shall be played.

Periods may be shortened by state high school association adoption, or if mutually agreed upon or in any emergency, by agreement of coaches or ordered by the head referee, provided it is determined to shorten the periods before the game or before the second half begins and all remaining periods are the same length.

18. Tie-breaking procedure for regular season games – If the game is tied at the end of regulation, the result will be recorded as a tie. There is **no overtime** for regular season Varsity or Lower-Level contests. Any contests that are part of a CHSAA sanctioned tournament may use a shootout to advance a team in the bracket. The official game result, as it relates to record/standings, will still be entered as a tie in MaxPreps.

19. Maximum Student Participation - A student may not participate in more than 36 halves (across all levels) exclusive of regional and state tournaments. Example: A player who played 18 JV halves and 20 Varsity halves would've violated this rule.

20. Maximum Team Contests - No member school shall permit its soccer team to participate in more than 15 regular season soccer games. Further, no member school shall permit its soccer team as a representative of the school to play after the state championship tournament has been played (CHSAA By-law 2300.1 & 3920).

21. Game Minimum (NEW) - all schools in the 2A-5A classifications will have a game minimum of 12 games (10 against NFHS Opponents) to be eligible for the postseason. A reasonable attempt to play all games must be made.

22. If some member schools elect to play junior varsity schedules ONLY, they will not be included in the CHSAA state post season tournaments.

23. Ejected Player Penalty – A player ejected for a red card will be subjected to the CHSAA ejection policy (CHSAA By-law 2200.1).

All players who receive a second yellow card in the same game shall be disqualified from the remainder of the current game, plus the next contest of the same level regardless of whether a red card was displayed. **If a player disqualification (red card) occurs, it is the responsibility of the coach and school to declare the individual ineligible for the next contest of that level regardless of whether you have been notified by the CHSAA.** The athlete may not take part in any other games at any level during this time (CHSAA By-law 2200.11). Failure to do so and allowing a disqualified player to participate in the next contest of that level could result in a forfeiture and possible playoff restriction for the team. If a player receives a game disqualification (red card) in the last regular season or region contest, he/she must miss the first game of the playoffs. If you have questions about potentially ineligible participants, seek answers from CHSAA before allowing the individual to compete interscholastically. NOTE: Sitting out scrimmages or foundation games does not satisfy the penalty for player ejections.

Any player ejected from a second match or contest during the same season shall be suspended from competition for the next two matches or contests of the same level. Any player ejected from a third match or contest during the same season shall be subject to a penalty to be determined by the Commissioner.

If a player ejection occurs in the final match or contest of the season, then the player shall be ineligible for the first match or contest of the next season of sport that player elects to play. In satisfying the penalty, the player must sit out a game in a sport in which he/she completes the season. See the CHSAA Handbook for more information.

24. Ejection of a Coach - CHSAA By-laws require that a credentialed (registered) coach under contract with the school must assume supervisory responsibility for all interscholastic contests. If a coach is ejected and no credentialed (registered) person from that school is available, the contest shall be forfeited.

A coach ejected from a contest for committing an unsportsmanlike act shall be suspended from coaching for 10% (2 games) of the season's regularly scheduled matches or contests of the same level. He/she/they may not coach in any other contest at any level during this time. A coach ejected from a second contest during the same season shall be suspended from coaching for 20% (3 games) of the season's contests of the same level (CHSAA Bylaw 2210.1 & 2210.2). **If a coach ejection occurs, it is the responsibility of the coach and school to declare the individual ineligible for the next contest of that level regardless of whether you have been notified by the CHSAA.**

CHSAA By-law Article 22, Rule 2210.22 - A coach ejected from a game is required to complete the following courses offered on-line by the National Federation of State High School Associations (NFHS): *Sportsmanship; Teaching and Modeling Behavior*. These courses shall be completed before he/she will be removed from probation and must be finished in a reasonable amount of time during the season to be determined by the school's athletic director.

A coach ejected from two contests during a five-year period shall be required to appear at a hearing before the Commissioner or his/her/their designee and shall be subject to a penalty to be determined by the Commissioner (CHSAA Bylaw 2210.4). A coach ejected from three contests in a five-year period shall be placed on restriction (no playoffs) per CHSAA Bylaw 2210.5.

25. Reporting Yellow and Red Cards for Athletes and Coaches - Game Officials are responsible for notifying the CHSAA Assistant Commissioner in charge of soccer when a member of the coaching staff at a school is given a yellow card for dissent and/or unsporting behavior as well as a coach's red card for unsportsmanlike behavior. Game Officials are also responsible for submitting a game report for each game with all athletes yellow and red cards to notify CHSAA of any disqualified/ineligible students.

CHSAA will notify schools of the reports for both coaches and athletes; the coach/school is responsible for implementing the penalty regardless of notification from CHSAA.

26. Protests - Appeals – NO protests involving the judgment or possible misapplication of a rule by a game official will be considered by the CHSAA. However, coaches may direct questions to the game officials as they pertain to possible misapplication of the rules at the time of the occurrence, in accordance with the NFHS rules. Once a game has been declared as completed, the outcome is considered final and official. Coaches and Administrators are encouraged to use the [official evaluation form](#) available on CHSAANow.com for evaluation of all contests.

27. ALL Registered Coaches - Carefully review CHSAA Bylaw 1620 in the CHSAA Handbook regarding the qualification of coaches. Do not allow your athletes to receive instruction from anyone who does not meet the requirements established in CHSAA Bylaw 1620. Assistant coaches must be registered by the school's AD in accordance with CHSAA policy and must be under contract to the school. To allow a "volunteer" who is not under contract to work with your athletes exposes the "volunteer", the head coach and the school to increased liability and is a **CHSAA violation**.
28. Out of State Travel – A school group, team, or individual representing a school in athletic competition may travel outside of the state to compete upon recommendation of the school district administration and upon written approval of the CHSAA Liaison. Schools may fill out the form for out of state travel on [rSchool](#) (click to go to Forms page).
29. The host school has the responsibility to ensure that an event is governed in a manner that emphasizes the educational values inherent in interscholastic activities. It is the host school's responsibility to remove any individual(s) creating a disturbance, which disrupt(s) the educational goals of the event and does not keep in mind the positive aspect of sporting behavior. Individuals, who by their actions, have become a constant disruption to the orderly governance of a high school activity shall be barred indefinitely by the school's principal, or his/her designee, from attending all high school activities at member school(s) and all sectional, district, region, and state playoff events. The CHSAA, the league, and offender must receive written notification of such action (CHSAA Bylaw 2240).
30. CHSAA Drone Policy - "The use of drones, also known as unmanned aerial vehicles, is prohibited for any purpose by any persons at all CHSAA-sanctioned events, unless express written permission is obtained: 1) from the host school district during regular season contests, or 2) the CHSAA for any postseason/playoff contest. This policy includes not only the restricted playing area of the venue(s), but also the physical confines of the entire stadium/field/arena structure. For the purposes of this policy, a drone is any aircraft without a human pilot on board."

OFFICIALS

Dressing Room - Where possible the official's dressing room should be located in an area with the most direct access to the playing field. The officials' dressing room shall be used as a changing area for game officials only. The room should be stocked with water.

Security - It is the responsibility of game management to provide security escort for game officials to and from the playing field or court. If possible, the officials should be escorted to the parking lot.

Arrival at Site - Game officials are required to arrive at the game site per their officiating association's policy.

Communication with Officials - Except for contact as is necessary by game management all others are prohibited from talking to the officials before, during, at halftime or after games concerning matters related to the game. Officials are asked to report any such violations to the CHSAA office.

Halftime - Game officials will delay leaving the playing field or court until players and coaches have left at halftime. A security escort is to be provided to take officials to their dressing room and prevent contact or conversation between coaches and officials.

CHSAA POSTSEASON GUIDELINES

The following information is relative to the 2023 Boys' Soccer Playoff Season. It is expected that coaches and Athletic Directors will review and become familiar with all information contained within.

For all classifications, the results of regular season play will determine automatic qualifiers and respective seeds in the postseason. Leagues or regions may use the results of their regular season schedule, or a system developed and approved by the league/region membership. This qualifying system must be submitted to the CHSAA office by the league prior to August 30, 2023.

If ties exist within the league/region, either the CHSAA qualifying point system or a tiebreaker developed by the league/region and submitted to the CHSAA office prior to August 30, 2023, or a regular season game or league Bylaws must be used to break the tie. The committee recommends that each league/region review their tie-breaking procedures prior to the beginning of the season. In the event a league/region does not file a tiebreaker system, or have it listed in the league/region Bylaws, the CHSAA universal tiebreaker will be used to break the tie (see CHSAA Constitution and Bylaws).

A playoff (involving 2 or more teams) may be conducted to break tie(s) in a league/region. However, **IN NO CASE MAY A SCHOOL EXCEED THE 15 MATCH SEASON LIMIT** to break a tie in the standings.

Regular season matches must be completed and reported in MaxPreps by Saturday, October 21, 2023. All postseason qualifiers must be determined no later than Saturday, October 21, 2023, with the pairings being determined on Monday, October 23, 2023. The CHSAA staff can approve alternate dates in extreme situations.

It is the responsibility of the league/region representative to correctly list the Automatic Qualifiers for each classification and verify that they appear on the tournament bracket.

BREAKING LEAGUE/REGION TIES

If no other method has been established, league/region standings will be established by awarding 2 points for a win, 1 point for a tie and 0 points for a loss.

Leagues/Regions that break ties in the standings without additional play will do so by the leagues'/region's adopted tiebreaker system, a copy of which is to be on file with the CHSAA office for review. In the event a league/region does not file a tiebreaker system, it must break ties in the following manner:

1. Head-to-head (record against each of the teams involved).
2. Record against top team in the league/region.
3. Record against the next highest common league/region opponent above tie.
4. Record against next lower common league/region opponent below the tie.
5. Goals given up against varsity teams within the league/region.
6. Goals given up against varsity teams against teams in the same classification.
7. Goals given up in all varsity contests.
8. Coin flip by CHSAA Assistant Commissioner in charge of soccer.

QUALIFYING FORMAT AND ASSIGNMENT BY CLASS

The seeding committee will be made up of one (1) administrator from each league in each classification. The administrator shall be selected by the league president and nominated to the CHSAA office for approval. Each league/region is responsible for creating a plan to determine the league's/region's automatic qualifier. The plan for each league/region is due to CHSAA at the start of the season.

In addition to the league automatic qualifier, the CHSAA Selection & Seeding Index (50/50 Split MaxPreps & RPI Rankings) will be utilized to capture at-large qualifiers to the State Tournament bracket. League automatic qualifiers not ranked in the top 32 teams by the CHSAA Selection & Seeding Index in 3A-5A and the top 16 in 2A, will replace the lowest ranked non-automatic qualifiers in the top 32 (3A-5A) and top 16 (2A) in the CHSAA Selection & Seeding Index. The CHSAA Selection & Seeding Index will seed teams 1-32 in 3A-5A and 1-16 in 2A. There will be no movement 1-16 for 3A-5A and 1-4 for 2A on the bracket based on the CHSAA Selection & Seeding Index. The placement of 3A-5A teams listed 17-32 and 2A teams listed 5-16 may be moved on the bracket due to geography and first round league opponents. The Seeding Committee will avoid league matchups in the 1st Round ONLY.

2A Playoff Qualifying Procedures – Each league/region will receive automatic qualifiers based on the number of teams listed in the league/region within their classification (i.e. multi-class leagues). Leagues/Regions with three (3) or more teams will have one (1) automatic qualifier advancing to the State Tournament bracket. Each league/region must start and finish the season with at least three (3) playoff eligible teams within their classification to have an automatic qualifier. League/region automatic qualifiers not ranked in the top 16 will replace the lowest ranked non-automatic qualifiers in the top 16 in CHSAA Selection & Seeding Index. The CHSAA Selection & Seeding Index will seed teams 1-16. There will be no movement for teams seeded 1-4 on the bracket. The placement of teams listed 5-16 may be moved on the bracket due to geography and first round league/region opponents. The Seeding Committee will avoid league/region matchups in the 1st Round ONLY.

3A-5A Playoff Qualifying Procedures – Each league will receive automatic qualifiers based on the number of teams listed in the league within their classification (i.e. multi-class leagues). Leagues with three (3) or more teams will have one (1) automatic qualifier advancing to the State Tournament bracket. Each league must start and finish the season with at least three (3) playoff eligible teams within their classification to have an automatic qualifier. League automatic qualifiers not ranked in the top 32 will replace the lowest ranked non-automatic qualifiers in the top 32 in CHSAA Selection & Seeding Index. The CHSAA Selection & Seeding Index will seed teams 1-32. There will be no movement for teams seeded 1-16 on the bracket. The placement of teams listed 17-32 may be moved on the bracket due to geography and first round league opponents. The Seeding Committee will avoid league matchups in the 1st Round ONLY.

Multi-Class Leagues/Regions – Teams that are playing in multi-class leagues (2A-5A) will have the opportunity to qualify for the State Tournament bracket through the final CHSAA Selection & Seeding Index if there are not at least 3 teams from that league represented in the classification.

What happens if two teams are tied in the final CHSAA Selection & Seeding Index standings?

We have created a tiebreaker for this unlikely scenario. It is as follows:

1. Head-to-head result between the two teams
2. Highest ranked team in the MaxPreps Rankings
3. Highest ranked team in the RPI Rankings
4. Coin flip

POSTSEASON ELIGIBILITY (NEW)

Schools in ALL classifications (2A-5A) will have a game minimum of 12 games (10 against NFHS Opponents) to be eligible for the postseason. A reasonable attempt to play all games must be made.

EQUAL FACILITIES

Although it is necessary that one team be designated as the home team at common sites, it shall be kept in mind that the game belongs equally to both competing schools. It is strongly advised that a pre-game planning meeting be held to cover all details connected with the staging of every postseason contest. Game fields must be legal size fields for high school soccer and be in safe and playable condition. The CHSAA reserves the right to make sure all playoff fields are legal fields, as per NFHS rules and recommendations for high school field size. This will allow both teams a fair opportunity to compete and ensure proper seating for spectators with a restricted area between participants and fans.

HOST SITES/VENUES

In all classifications the higher seeded team will be the home team throughout the playoff bracket and will host all rounds except for the 5A quarterfinals, 2A-5A semifinals and 2A-5A finals. In 2A, both the first and quarterfinal round games will be hosted by the top 4 seeds on a Friday/Saturday where the host site will be required to charge a gate over the course of both days. The higher seed in all classifications will be designated as the home team in semifinal and final matches.

It is required by the CHSAA that quarterfinal postseason host sites follow all CHSAA playoff requirements included but not limited to admission and all other amenities of a championship game, including bleacher seating, lighted venue and a secure playing field for players, coaches and officials. Admission is required for all 2A postseason games.

Enclosed fields with suitable seating and where an admission can be charged is the preferred venue for postseason games. Field conditions must meet minimum NFHS rules and recommendations regarding size of the field. Team bench areas located on the same side of the field are expected. The field should be secured in a manner to limit fan access to players, coaches, and officials. Please refer to the NFHS rule book for securing a field from spectators.

If natural surface fields aren't playable because of inclement weather, artificial turf sites (when available) will be used to stay on schedule. This will be a CHSAA administrator decision and schools will be notified.

POSTSEASON DATES & MATCH TIMES

CHSAA will establish match dates. It is the desire of the CHSAA that schools **mutually establish** match times that best accommodate the interests of each school and community. Schools must consider the conditions in which the match will be played and make the best decision to accommodate the schools involved. **NOTE:** All **mutually established** match times are subject to final approval by the CHSAA office as needed. When mutual agreement for the match time cannot be reached, the following statements will apply:

- a. When postseason matches are to be played on a Saturday, games will be played at 1:00 p.m. when mutual agreement for the match time cannot be reached. In scenarios where the host facility is not available at 1:00 p.m., games will be played at 3:00 p.m. for non-lighted fields and 6:00 p.m. for lighted fields.
- b. When postseason matches are to be played on a weekday, games will be played at 3:00 p.m. when mutual agreement for the match time cannot be reached for non-lighted fields. Games will be played at 6:00 p.m. when mutual agreement for the match time cannot be reached for lighted fields.

- c. The Assistant Commissioner shall have the sole province to designate match times and sites, including when a school district is hosting more than one match. Conflicts, which could have a venue, academic or financial impact on the match, may be considered.
- d. All schools, both home and visitor, will be provided the opportunity to mutually establish the match time during the scheduling process. When mutual agreement cannot be reached, the above scenarios (a-c) will apply.
- e. The CHSAA postseason calendar will be adhered to when match conditions permit. When available, host schools shall attempt locate an artificial turf site that will be an alternative to stay on schedule.
- f. **Under no circumstances may a school host any type of ceremony during a CHSAA Postseason Soccer contest (examples include but are not limited to – Senior Night, Alumni Night, Homecoming Recognition, etc.).**

TEAM ARRIVALS & WARM-UP

For all postseason games, teams should arrive at their designated/agreed upon time. **Each team is asked to provide at least 4 ball shaggers for each game in which their team plays.**

Teams may not begin warm-ups on the field prior to 30 minutes before the game time for the semifinals/finals; for all other rounds, teams should mutually agree upon a warm-up schedule. No running around the track during game play. Warm-up location will be given to teams upon checking in at the stadium. When multiple games are played at a venue, 30 minutes on the field for warm-ups is guaranteed prior to the start of each game.

TEAM BENCH AREAS

In the postseason, both teams must sit on the same side of the field as per NFHS Soccer Rules (Rule 1 – the Field of Play, Section 5 – Officials and Team Areas). This arrangement of the team area on the same side of the field assists in the administration of the game. This arrangement of the teams has also proven to be successful in the sporting behavior of both players and coaches.

- a. There must be minimum 10 feet distance between spectators and team benches.
- b. **Coaches/administration should assess and determine appropriate sideline spacing for each individual site.**

This is not meant to suggest that fans from both schools must sit on the same side of the field. At many soccer fields and venues fans are on one side of the field and team benches are on the opposite side of the field. If in the opinion of the home game administration this arrangement of both benches on the same side of field is not in the best interest of the game, then team benches may be separated on opposite sides of the field. It is the CHSAA's intent in the semifinals through finals that team benches will be on the same side of the field.

FIELD MARKINGS

Postseason matches played on soccer fields without fences or barriers are required to have a chalked or marked line 10' from the boundary lines. This is to restrict fans from being within 10' of the field boundary lines. There must be minimum 10 feet distance between spectators and team benches. In addition, no one shall be permitted directly behind either goal unless seated in bleachers. Please locate the NFHS soccer field diagram at the front of the NFHS Soccer Rule Book for directions to these markings. Make sure your soccer field for postseason is marked correctly.

PRACTICE

Participating teams will not be allowed to practice at the state championship site at any point during the state championships.

ANNOUNCER

The announcer should be a school staff member or responsible individual who can set the tone of the game by calling the fans' attention to the following points of reference: (1) CHSAA playoff contests are conducted under the strictest code of good sportsmanlike behavior; (2) The officials are neutral individuals and have been selected because of demonstrated ability; (3) Fans are to be encouraged by the announcer to support their own team and display proper protocol and sportsmanlike behavior.

OFFICIALS' ASSIGNMENTS & PAYMENT

The host school is responsible for assigning MATCH OFFICIALS in all 1st Round matches (exception is 2A, where CHSAA will assign officials for the entire tournament). The CHSAA is responsible for the assignment of MATCH OFFICIALS in the 2nd Round of the state tournament to the finals in 3A-5A. Payments to the officials will be made by the host school during the first, second and quarterfinal rounds (except for 5A Quarterfinals). Payments to officials in the semifinals and State Championship matches will be made by the CHSAA office. All the assignments will be listed on the Arbiter Sports site.

To access the officials that CHSAA has assigned, Athletic Directors need to access "The Arbiter Sports" web site: www.arbitersports.com.

TRAINER

A trainer will be provided at the 5A Quarterfinals, 2A-5A Semifinals and 2A-5A Championship matches by the CHSAA.

INCLEMENT WEATHER & SUSPENDED PLAY POLICY

In the event inclement weather prevents postseason matches from being held on the regularly scheduled date(s), the CHSAA office will work with the host site to select the next available date for competition. The game(s) will be rescheduled as quickly as possible and will be played close to the originally scheduled date depending on facility constraints. If play is suspended for any reason in a postseason game, the contest will be restarted at the point of interruption.

If a weather element affects the field condition or safety of the athletes, by NFHS Rule, the home site management has responsibility to determine if the game is to be started. Once the game has started, the game referee then has sole responsibility to continue or terminate the contest.

ROSTER

Maximum total of game participants/support staff in the team and coaching area is 32; this includes 25 players, and 7 essential personnel (coach, manager, trainer, videographer, etc.) will be admitted without charge for all postseason contests, including the semifinals and championship games.

GATE LIST & PROGRAM INFORMATION

It is imperative that each team that has a chance to qualify for the CHSAA Boys Soccer Postseason, complete the soccer gate list that will be sent to you from CHSAA (you will also be asked to send a team photo). All gate lists and team photos **MUST** be received by **October 23, 2023**. This information is very important, as it will be used to develop the program as well as any press releases. You will **not** be allowed to make any changes or additions to your gate list **at the event**. Any changes **MUST** be submitted via the gate list or emailing CHSAA in advance.

DUE DATE FOR GATE LIST: Monday, October 23, 2023

AWARDS

Awards for the 2023 Boys' Soccer Playoffs will include a trophy for the championship team and the runner-up team in each classification.

AWARDS CEREMONY

The CHSAA will have an awards ceremony at the conclusion of the championship game in each classification. The awards ceremony will be in the center of the field. School administrators and coaches are expected to assist in the awards ceremony by NOT allowing students and fans to join their team on the field.

CHEERLEADERS

Twenty-eight (28) cheerleaders in uniform and two coaches may be admitted at no charge to state semifinal and state championship games. The group should enter the gates all together and must be accompanied by their coach.

NOTE: Due to varying sizes of facilities used at state semifinal and state championship games, certain restrictions or more limited numbers may be imposed.

PEP BAND ADMISSION INFORMATION

Only 35 pep band members, and the director, will be admitted at no charge to the state playoffs, providing each member of said groups complies with the following conditions. Additional members may attend at the student fee at the discretion of host administrator based on facility space consideration.

Marching Bands/Pep Bands are asked to observe the following:

- Play only at pre-game, timeouts, and intermissions during games. At no time can bands, percussion, or any part of an instrument be played while the ball is in play.
- Respect/consider other bands in attendance. Every school should have the opportunity to complete a cheer and to have its band play (a meeting of the band directors prior to the start of the contest always helps to ensure good sportsmanship).
- Do not allow band instruments, drums, etc., to be used as noisemakers. Only a maximum of 2 amplifiers can be used for the purpose of amplifying a piano, guitar, or bass.

TICKETING & TOURNAMENT FINANCES

Please refer to the Legislative Council Approved Reports for information regarding the financial report when you are a host school in the first round through quarterfinals in soccer. If you are a host school for a soccer playoff game, you will receive the report form link from the CHSAA office. The soccer financial report form is interactive, allowing you to send it directly to the CHSAA via email.

During postseason for all classifications, schools are required to charge admission and submit a financial report to the CHSAA office for all first round through all quarterfinal round games. If it is not possible to charge admission, permission may be requested prior to the game to pay the CHSAA a fee in lieu of charging admission. When paying this fee, host schools are still responsible for any travel guarantee due to the opponent, officials' payments and other costs associated with hosting these contests. Pre-approval from CHSAA is required for implementation, contact Justin Saylor for soccer.

*This is a per game fee when hosting multiple games at one site. Fees are collected for each game. Approved for the 2023-2024 school year.

SPORT	Class	Fee
Boys' Soccer	3A	\$150.00
	4A, 5A	\$200.00

POSTSEASON GAME TIE-BREAKING PROCEDURES

If a game requiring a winner is tied at the conclusion of regulation, the Referee will instruct both teams to return to their respective team technical areas. There will be a five-minute break during which both teams may confer with their Coaches, and the Referee will instruct both teams on the following procedures.

1. Two 15-minute sudden victory (golden goal) overtime periods may be played.
 - a. Flip a coin for the start of the first overtime. Visitor calls the coin toss. The winner of the toss shall choose a goal to defend or to kick off in the first overtime.
 - b. The game is over when either team scores a goal.
 - c. If a second sudden victory overtime is required, there will be a two-minute interval. Teams shall exchange ends and alternate the kickoff.
 - d. If, after both overtime periods, the score still remains tied, all Coaches, Officials and Team Captains shall assemble at the halfway line to review the Kicks-from-the-Penalty Mark procedure as outlined below.

2. Kicks-from-the-Penalty Mark (KFTPM) Mechanics:
 - a. The Referee shall choose the goal at which all of the kicks from the penalty mark shall be taken.
 - b. A coin toss shall be held; visiting team calls. The team winning the toss shall have the choice of kicking first or second. Teams will alternate kickers.
 - c. Each Coach will identify **any** five rostered Players, including the Goalkeeper – on or off the field at the end of overtime – who will participate in the first five kicks. i. Exception: Any Player who may have been disqualified / ejected during the game is not eligible to participate in KFTPM.
 - d. Players shall remain in the center circle until beckoned by the Referee.
 - e. Each kicker shall report to the Referee in the penalty area. The Referee will record the Player's number and the kick order in their team's cycle.
 - f. The Goalkeeper who is to defend against the next kick attempt shall be located outside the field of play at the intersection of the goal line and penalty area boundary behind the Assistant Referee.
 - g. Once the Kicker has reported to the Referee to attempt a kick, they may place the ball on the penalty mark.
 - h. The Referee tells the Goalkeeper to take their place on the goal line, and then signals with a whistle for the kick.
 - i. The kick is completed when the ball stops moving, goes out of play, or the Referee stops play for any infringement of the rules.

3. Mechanics for sudden victory KFTPM (If tied after each team has attempted five kicks):
 - a. Kickers 6-10, each Coach will identify five **different** Players than the first five who have already kicked.
 - b. Kickers 11-15, if the score remains tied, continue the sudden victory kicks with the Coaches identifying **any** five Players to take the next set of alternating kicks.
 - c. Kickers 16-20, if the score remains tied, continue the sudden victory kicks with the coach identifying five **different** Players except those who participated in step 3b.
 - d. Repeat the steps in 3b and 3c as necessary.

4. Kicks-from-the-Penalty Mark (KFTPM) are complete when:
 - a. Before both teams have taken five kicks, one team has scored more goals than the other team could score – even if it were to complete its allocated five kicks (e.g. 4-2). In this case, no more kicks are taken.
 - b. After both teams have taken five kicks, the team with the most goals (e.g. 5-4).

- c. If the score remains tied after each team has had five kicks, KFTPM becomes a sudden victory situation (e.g. wherein if one team scores and the other team does not score, the game is ended without more kicks being taken).
5. Pertinent Kicks-from-the-Penalty Mark (KFTPM) Rules:
- a. National Federation Rule 14-1 Art. 3: The opposing goalkeeper shall stand with at least one foot on or in-line with the goal line, facing the kicker, between the goal posts, and shall not be touching the goal posts, crossbar or nets until the ball is kicked. Lateral or forward movement is allowed, but the goalkeeper is not permitted to come off the line with both feet until the ball is in play.
- i. PENALTY (Article 3): Infringement by the defending team is not penalized if the goal is scored. If a goal is not scored on the penalty kick, it is retaken.
 - ii. ADVICE: While the NFHS Rules do not specify if the Goalkeeper must be cautioned for encroachment on a Penalty Kick the advice would be to treat this situation as provided in the Penalty section and perform a retake if the Goalkeeper comes off the line with both feet before the ball is in play and is then saved. The first offense can be a Warning, the second offence a Caution for Persistent Infringement, and the third offense an Ejection for receiving a second Caution. This mechanic would be inline with current IFAB and NCAA interpretations for the game of soccer.
- b. National Federation Rule 14-1 Art. 4: The ball shall be kicked while it is stationary on the ground from the mark or any place on the penalty kick mark. To be in play, the ball shall be moved forward. The player taking the penalty kick is permitted to use a stutter-step or a hesitation move provided there is no stopping and there is continuous movement toward the ball. Failure to kick the ball as specified shall be considered a violation by the attacking team and the appropriate penalties shall apply. Stutter-stepping is not an interruption in movement.
- i. PENALTY (Article 4): If there is an infringement by the kicker and the ball enters the goal, the goal does not count and the kick shall be retaken. If a goal is not scored on the penalty kick, it is not retaken.
 - ii. NOTE: A player who starts their approach and does not kick the ball shall be cautioned, and the kick will be retaken by another player.
- c. Any Misconduct (Caution) by the Goalkeeper at any time during the KFTPM, will result in the Goalkeeper being replaced for one kick by their opponent.
- d. Any Misconduct (Caution) by the Kicker at any time during the KFTPM, will result in the Kicker not being eligible to kick until the next set of five kicks.
- e. Results: Add one goal to the winning team score and credit the team with a victory. Or, report the tied score and place an asterisk (*) by the team winning in KFTPM to indicate the advancement was the result of a tie-breaker system.
