COOLEST CAREER WITH GREAT REWARDS

Refrigeration Operator Training Systems Agency Income Streams

A Refrigeration Operator Training Systems Agency is paid \$600.00 for each student that they pre-qualify and present ready to start the TSSA Refrigeration Operator B pre-exam class; where up to 30 students per class are taught new high income generating technical skills, as well as the ability to challenge the TSSA exam. Students learn how to successfully prepare to pass the TSSA Refrigeration B exam; classes start the second week of February, May, August, and November annually.

First stream of income:
30 students
x \$600.00
x 4 class intakes
per annum
= \$72,000

First stream of income: 30 students x \$600.00 x 4 class intakes per annum = \$72,000, minus Agency determined advertising or affiliate marketing spend to acquire a new student. This is linear income, \$600.00 paid for each student your agency or affiliate introduces to the Refrigeration Operator Training Systems TSSA pre-exam class.

Second stream of income (leveraged Income):
Help students realize their dream of learning high income skills by assisting them with the initial tuition down payment of \$2,000 for each student.

Second stream of income (leveraged Income): Help students

is 5%, then \$100.00 is required to be paid to your line of credit, plus

the original principal of \$2,000 per student. During the course of

the first 12 months of payments, the student repays a total of

\$2,400. The other \$300.00 will be your portion of leveraged income.

During the course of the second 12 months of payments, the student repays a total of \$2,400. This \$2,400.00 per student is your third income stream, passive income. Overall, for every \$2,000 from your line of credit, you will receive a return of \$2,700 every 24 months.

By accessing your line of credit for \$60,000, you can help an entire class of 30 students realize their dream of becoming Refrigeration Plant Operators, and secure a return of \$81,000 each year for yourself.

By helping 120 students with their initial tuition down payment of \$2,000 each, you and your Refrigeration Operator Training Systems Agency will be in a position to earn a combined \$324,000 of total income over the two year term of the student's committed repayment schedule; that is \$162,000 per year, which is almost \$444.00 paid to your Agency each and every day for the entire year.

The bigger reward of course will come from the higher purpose of assisting students start their high income skills training education program with \$0 down and an affordable repayment schedule.

Start your Refrigeration Operator Training Systems Agency today, and start reaping the rewards of multiple streams of income, including linear, leveraged and passive incomes. realize their dream of learning high income skills by assisting them with the initial tuition down payment of \$2,000 for each student. By accessing your bank or financial institution's line of credit, and then making those funds available to Refrigeration Operator Training Systems for teaching and training activities on behalf of highly motivated students. The following month, the student begins to make monthly affordable repayments of \$200.00 directly back to your line of credit, for an agreed upon 24 months. This also has the added benefit of boosting or improving your own personal favourable credit rating considerably.

During the first 12 months of repayments, your line of credit will have been completely repaid, including any interest. As an example, if the interest rate
