**WATER DISTRIBUTION SYSTEM CLEANING IN PORT PERRY**

The Region of Durham has contracted IQ Environmental to clean the water mains in Port Perry as part of our regular water supply system maintenance program.

shut-off valve at the water meter to ensure that water is not drawn into the home until cleaning is completed. Where this is not possible, it is very important that no water is used for any purpose, including the flushing of toilets, furnace-mounted humidifiers and backwashing of water softeners. If water is used during this period, it could result in material being drawn into the internal plumbing of your home, causing a blockage.

The cleaning program will be performed between May 6 and 31, 2024.

Residents will receive a hand-delivered notice, 24 to 48 hours prior to the start of the cleaning operation on their street.

The work will be carried out in an efficient manner with the least possible inconvenience to residents. You are advised to keep a supply of water on hand for drinking, cooking and general purposes during this cleaning procedure.

Once the cleaning operation is complete, please turn on a cold water tap only and let it run for approximately five minutes before using hot water.

This type of notice should be advertised in your local newspaper.

This work will be performed during the night between the hours of 10 p.m. and 5 a.m. the following morning. It is suggested that you close the

You should write a letter to your local councilor and let them know. You want to be informed.

**Oshawa Animal Services celebrate 100th adoption of city's centennial year**

As the city marks its centennial year, Oshawa Animal Services (OAS) are marking 100 adoptions.

The 100th animal of 2024 is a three-month-old puppy named Miles.

OAS say he is a cross between a Labrador Retriever and a poodle.

In 2023, the agency was able to find homes for 1,019 animals, a record number.

**April 22-26 is Community Cleanup Week**

With spring in the air, homeowners, families, businesses, students and community leaders are encouraged to volunteer in the City's annual Community Cleanup Week.

The kick-off week takes place April 22-26. Groups of all sizes are invited to volunteer in cleaning up our parks, green spaces, trails and schoolyards.

Registered participants will receive free garbage bags and gloves (while supplies last) and a certificate of appreciation for their contribution to the community.

As part of the annual initiative, Communities with Brooms will return for a downtown spring cleaning on Tuesday, April 23, beginning at 11:30 a.m.

Following the event, participants are invited to attend a barbecue lunch sponsored by Oshawa M.P. Colin Carrie. To register for Communities with Brooms, email [brooms@jhsd.ca](mailto:brooms@jhsd.ca).

All volunteers will receive supplies, including gloves, maps and garbage bags (while supplies last).
