

**Durham Regional Police Service**

Safe Boating Launch with MADD Durham Region, PARA Marine Search & Rescue and COMRA Marine Rescue on Friday May 22, 2026.

The launch event was all about promoting safety on the water — and reminding everyone that impaired boating is impaired driving. Operating a boat under the influence of alcohol or drugs is not only illegal — it's dangerous.

Just like on the roads, if you boat impaired, you can be charged, and lose your driver's licence. The DRPS Marine Unit will be patrolling our waterways all season and there will be a zero tolerance approach to impaired boating.

If you are boating this season please remember:

- Always have a designated boat operator
- Wear your lifejacket
- Stay alert and sober

If you suspect an impaired boater, please call 9-1-1.

**Todd McCarthy was at Nathan Philips Square Downtown Toronto**

Soccer's most iconic trophy stopped in Toronto today as the countdown to #FIFA26 hits 17 days.

Canada is set to host 5 historic group stage matches and a knockout game at #TorontoStadium - including the first World Cup match ever played on Canadian soil when our national team takes the field on June 12.

Amazing to see fans turning out from across the city and great to join @cityofto, @fifa, and @cocacola\_ca to bring the Trophy Tour to Ontario. Toronto's ready - are you?

**Pickering nets almost \$76 million from OLG since 2021**

Pickering has received \$16,380,715 in non-tax gaming revenue during OLG's 2025 – 2026 fiscal year (April 1, 2025 to March 31, 2026). Since Pickering Casino Resort opened in July 2021, the city has received \$75,977,449 through its Municipal Contribution Agreement with OLG, said a Pickering statement. It said the city continues to reinvest gaming revenues into programs, services, and infrastructure that benefit residents. To date, casino revenues have supported the following Current and Capital Budget items: Community grants supporting local non-profit organizations and community events, including festival programming. City Centre planning, design, and implementation work. Debt reduction and other measures that strengthen the city's long-term financial sustainability. Parks, recreation, and facility improvements, including upgrades to community and sport infrastructure.

Municipal infrastructure and service enhancements, including public realm, traffic, and fire service improvements

In 2026, casino revenues are planned to continue supporting priorities across the city, including community grants, parks and recreation improvements, municipal facility and public infrastructure projects, and other strategic investments that align with council's budget priorities and help enhance quality of life for residents.
