CANADA FOR CANADIANS
PARTY OF CANADA

Consider Joining A True Alternative.
Canada for Canadians will soon become the new alternative to the left and right.
What The Canada for Canadian Party Stands For:

CANADA FOR CANADIANS was founded by people just like you. People fed up with the empty promises and never ending wasteful expenditures. People that are fed up with the traditional political choices that have proven to fail. Canada for Canadians is a new political 'ism'. One that is rooted on Conservative principles, Liberal compassion and humanistic approach to assuring that every Canadian is taken care.

CANADA FOR CANADIANS IS THE NEW WORLD 'ISM' ~ "PEOPLEISM".

Peopleism is the belief that we as a responsible government must be inclusive of all people of this land. People that are Canadian with Canada first interests at heart.

We are a nation of immigrants that have chosen to surrender our birth land rights in order to serve a greater good, of that of being a responsible, productive and contributing citizen of this great country. Peopleism is about contributing and becoming inclusive in Canadian society. A one people under 'Peopleism' means there will be new standards that will encourage visible acts of public social defiance to comply through education that 'birth homeland' cultures and customs are private and personal. We must prioritize by putting our citizens well being first. A political ideology that is compassionate but conscious of the realities of our global identity. A new political system that does not promise but delivers optimal human needs through new standards.

Championing civil/human rights. The new 'ism' is here. To serve Canada and assure all future generation to uphold and be proud to call home.

The reality of today's Canadian political landscape is:

No matter what side of the political spectrum Canadians vote in. **Nothing significantly changes.** Canada is a great nation and we need now to assure we preserve all that is good and clean out all that is not. This must be done in the name of future generations.

The Canada for Canadians is about standing up for tradition the preservation of Canadian culture, traditions and standards. It is about investing in Canada first.

The Canada For Canadians needs your help. Together we can take back Canada and continue on the great path our forefathers had laid out for us to follow.

Be part of building a solid and prosperous future for all generations to come.
