WHY SHOP DOWNTOWN

Small business play an important role in our local economy.

First and foremost. Most of us as young citizens needed summer jobs or jobs in general.

What was always easy to get to. Your boss was someone well respected in your City.

For shoppers. The downtown experience was nothing short of a social event. Walking around seeing your friends and neighbors.

This is the spirit that shopping downtown nurtures. Not to mention the many unique items. Fair prices and mostly made in Canada.

Remember for every dollar you spend downtown. You could be helping a person like you. Hire an employee that could be your son or daughter. Or even you.

Every dollar spent downtown goes to help a hard working Canadian maintain the same quality of life you enjoy. So please shop downtown Oshawa.
