## CARTER THREATENS INGINO AFTER DEBATE

On Thursday October 1, 2018 the Oshawa Chamber of Commerce and the Durham Region Association of Realtors hosted a Mayoral candidate debate.

During the debate various questions were put to the panel of candidates.

In attendance. Joe Inginio, Dan Carter, Rosaldo Russo, Adam Kunz, Keneth Carruther and Sara Lear.

The debate became intense when questions answered by Carter kept being challenged by the other candidates.

It appeared as it was all candidates versus Carter.

It was easy to note by Carter's demeanor that he was flustered and discomfort by the constant challenges.

Carter in his very charismatic self serving fashion kept spewing stats and following them with pie in the sky plans. Plans that sounded good but are far from ever becoming reality.

Mr. Inginio after the debate as he was sitting next to Carter and extended his hand and said, "Nothing personal Dan." Dan in a very hostile manner looked at Joe Inginio and said **"SEE YOU IN COURT"**.

Mr Inginio was so deeply offended by such gesture. Specially coming from an incumbent that just finished spewing how he worked with businesses in the community. Mr. Inginio said, "I am shocked but not surprised by Mr. Carter words. He just proves me right that the he is no leadership material. **How dare threaten to attack a local business.** A local business that he should be doing everything in his power to promote. I have operated a business in the downtown core and not once have I seen Carter visit me for suggestion or opinion. This I guess explains why the only campaign sign he has in the downtown is on an empty for rent window. Or at the former Fazio Restaurant.

Another downtown business forced out of Oshawa.

Are these the sign of what is to come if Carter becomes Mayor?

I speak to downtown merchants on a regular basis and most do not support Mr. Carter as he has done nothing for them.

Many feel that Carter is in it for himself and this may explain why he only has two campaign signs in the core.

One at the vacant old 'FAZIO'S RESTAURANT' and the other at 19 Simcoe St. North... another empty unit.

What a coincidence... right next to a REALTOR...

You want a mouthful of the good old boys club in Oshawa talk to Fazio and ask him why he was forced out of Oshawa. Dan Carter is not for downtown. Carter is out for himself. How dare he threaten to take me to court. How dare he attack a local downtown business. Then again I guess how else will he ever make a buck. After all, before he became a broadcaster he was a small time manager at some Whitby bar"

When asked if he will be treating the job of Mayor as full time by the debate moderator. Carter said,

**"I think Chorus made that decision for me two years ago. That career came to a screeching halt as I got older and lost my hair so that was the end of my broadcast career. This role as city and regional councillor is full time job as mayor it is even more and that is one of the considerations you have to take when you make the decision to run. Not only the impact that it is going to have on your personal life but also your wife and family your grandchildren that is one of the things i took into consider-**

older and lost his hair..'

Really, you mean to tell the people that it had nothing to do with the fact that you did not make a cent out of that venture and you depended on government funding to keep it going? He then has the gull to continue lie by stating,

**'This role as city and regional councillor is full time job as mayor it is even more'**.

It amazes m how people get fooled by fools. He paints one picture when the reality is something different.

The questions is, when he looses, will he be able to even remotely get similar employment?

Carter kept spewing, **'We meet with the chamber of commerce we meet business we meet with charitable organizations we meet with the service clubs'**. He even upset Sara Lear with his lies as she interrupted and told Carter that her company was never consulted.

I personally can say he never met with me in 4 years he served as councillor and I am downtown Oshawa. I can present a list of 40 businesses that he never ever met with.

This brings to question who has he met with?

Chris Tyrovolas, the realtor that allowed him to place his only sign in an empty unit downtown Oshawa?

In my opinion the man is a deceiver and a liar. He uses statistics to create pie in the sky proposals that have proven for four years to go no place. I personally do not feel he is fit to serve as Mayor. I hire people for all kinds of jobs. I trained and mentored countless apprentices. I can say with conviction that Dan Carter is not leadership material. Forget CEO of a corporation that affects your taxes and the future of your children."

Mr Carter was quoted earlier this month in public that if it was not for Nancy Diamond he would have not continue with his term as councillor. In his words. "I turned to Nancy

for guidance as I felt I was way over my head. She told me to go home and come back in the morning." That would prove to be is first day as a Nancy Diamond "YES MAN". Since then he has become John Henry's

"YES MAN" So much so that Henry thanked him by endorsing his campaign." Dan Carter was contacted by was not available for comment.
