CNIB passionately provides community-based support, knowledge and a national voice to ensure Canadians who are blind or partially sighted have the confidence, skills and opportunities to fully participate in life. CNIB is currently looking for vision mate volunteers in YOUR community!

As a vision mate, you'll provide one-on-one sighted assistance with reading, organizing, walking, errands, outings and socializing or driving. Consider being a vision mate! You'll make a difference in your community, be part of a team, share an experience, learn new skills, and develop lasting friendships.
