

New Clarington Fire Chief

Bradley Lamport

Fire Chief and Director of Emergency and Fire Services

Municipality of Clarington and Clarington Emergency & Fire Services

Clarington is pleased to announce the appointment of Bradley Lamport as Clarington's new Fire Chief and Director of Emergency and Fire Services, effective March 30. Chief Lamport joined the Clarington Emergency and Fire Services (CEFS) as Deputy Chief in February 2024. Prior to joining Clarington, he started his career as a Volunteer Firefighter in Georgina, then spent 18 years serving with the Markham Fire Department, progressing through leadership positions. He lives on a small farm in Kawartha Lakes with his wife and is the proud father of three boys—two of whom are already following in their father's footsteps as Firefighters in Richmond Hill and Markham. We would like to acknowledge Mariano Perini for his leadership as Interim Fire Chief since the retirement of Chief David Speed this past fall. While carrying dual responsibilities, Mariano provided steady and effective leadership in support of both Public Works and Fire Services, ensuring continuity of operations and organizational stability during the transition period.
