

\$529,358 In The Fight Against Tarrifs

The Ontario government is investing \$529,358 through the Ontario Together Trade Fund (OTTF) to help Cargowall Limited increase resilience, build capacity and re-shore critical supply chains to Ontario.

Through this project, Cargowall is investing \$5,293,579 to install two automated roll forming lines to produce struts and guardrails for commercial construction of hospitals and data centers in addition to highway guardrails across Canada. The investment will create 14 new, good-paying jobs and protect 29 existing positions across Durham Region.

"Through the Ontario Together Trade Fund, our government is stepping up for the businesses in our community who've been directly affected by U.S. tariffs," said Todd McCarthy, Member of Provincial Parliament for Durham. "Cargowall's investment will help them adapt, stay competitive and continue creating good jobs in these uncertain times, all while helping make Ontario's economy more competitive, resilient and self-reliant."

SAFE PLACE FOR INDIVIDUALS

1635 Dundas Street East in Whitby has been a safe place for individuals experiencing unsheltered homelessness in our community to sleep, eat and take steps toward stable housing.

On (January 22), the federal government and Region of Durham announced combined funding through the Affordable Housing Fund to build 104 new transitional and supportive housing beds at 1635 Dundas Street East. This will enable the second and third floors to become a space where clients who are ready, can move from emergency shelter to transitional housing on their way to stable independent living.

Phase 2 of 1635 Dundas Street East will include an addictions recovery, palliative care support for homeless seniors, a medical clinic, as well as administrative and service spaces. We appreciate Housing, Infrastructure and Communities Canada or their commitment to supporting vulnerable residents in our community.

Whitby Fire and Emergency Services is proud to announce a Fallen Firefighter Memorial is coming to Whitby Civic Park, beside Town Hall.

Supported by \$135,000 in Canadian Heritage funding, the memorial will recognize the seven Whitby firefighters who lost their lives in the line of duty and serve as a lasting tribute to the men and women who put themselves at risk to protect the community every day.

A photograph of a man and a woman posing for a photo. Both are wearing safety goggles and holding airsoft guns. The man is on the left, wearing a tan shirt, and the woman is on the right, wearing a red shirt. They are both smiling and looking at the camera.

A collage of various military surplus items. At the top, there is a green helmet, a knife, and a pair of goggles. Below these, the text 'CAMOUFLAGE' is written in large, bold letters, followed by 'ARMY STORE LIKE NO OTHER' in smaller letters. In the center, there is a logo of a bull's head with wings. Below the logo, the text 'MILITARY SURPLUS' is written in a banner. At the bottom, there are several other items including a pair of boots, a pair of gloves, and a pair of pants.
