A Weekly Column by Dean Hickey

THE FINAL TAKE

AN UNVARNISHED LOOK AT THE MANY
SOCIAL & POLITICAL ISSUES OF OUR TIME...

from pg. 3

MAYOR DAN CARTER

*Councillor Nicholson I beg you consider
All that has in the past served to hinder
The progress we need to move beyond
The stalemates and debates so very long!
I ask you to open your mind and to see
That this is the way my motion should be.
We need to move on and you look tired,
Too much discussion will see us mired
In ways too numerous even to count,
As a pedestal we will all try to mount.
But wait... I hear a voice call out to me,
So just one moment as I look to see
Who it is that wants to interject
As we try to act with complete respect.*

COUNCILLOR JOHN NEAL

*Yeah, Mr. Mayor it's Councillor Neal.
I know I'm not there, but I really do feel
That Brian has a point beyond dispute
As he is a man who is quite astute.
From him I have learned so very much,
Though some may see me as out of touch
Cause I like doing this stuff by remote
Although it won't cost me a single vote.
For I have built a reputation
And Ward One is now Neal Nation!
So what I wanted to say may be harsh
But a motion by you is a farce.
And although we are still in the dark
Whatever it is you want here to mark
The very first time you have acted as such,
I have to say it really is far too much!*

COUNCILLOR ROSEMARY MCCONKEY

*Mr. Mayor I support John from Ward One
And I request a recorded vote be done,
And at the right time I have an amendment
To present to council as I intend it.*

DEPUTY MAYOR BOB CHAPMAN

*Mr. Mayor I rise on a point of order
As any amendment now would border
On fantasy, as there has been no motion,
And this debate is causing commotion.
I have tried to educate everyone here
On matters of process, year after year,
And yet to some it remains a mere game.
To go outside the rules is a total shame.
I therefore request councillor McConkey
Do the right thing - that in all honesty
She should have done, and that is to wait.
Council would see such behaviour as great.*
